What
"Frosh"

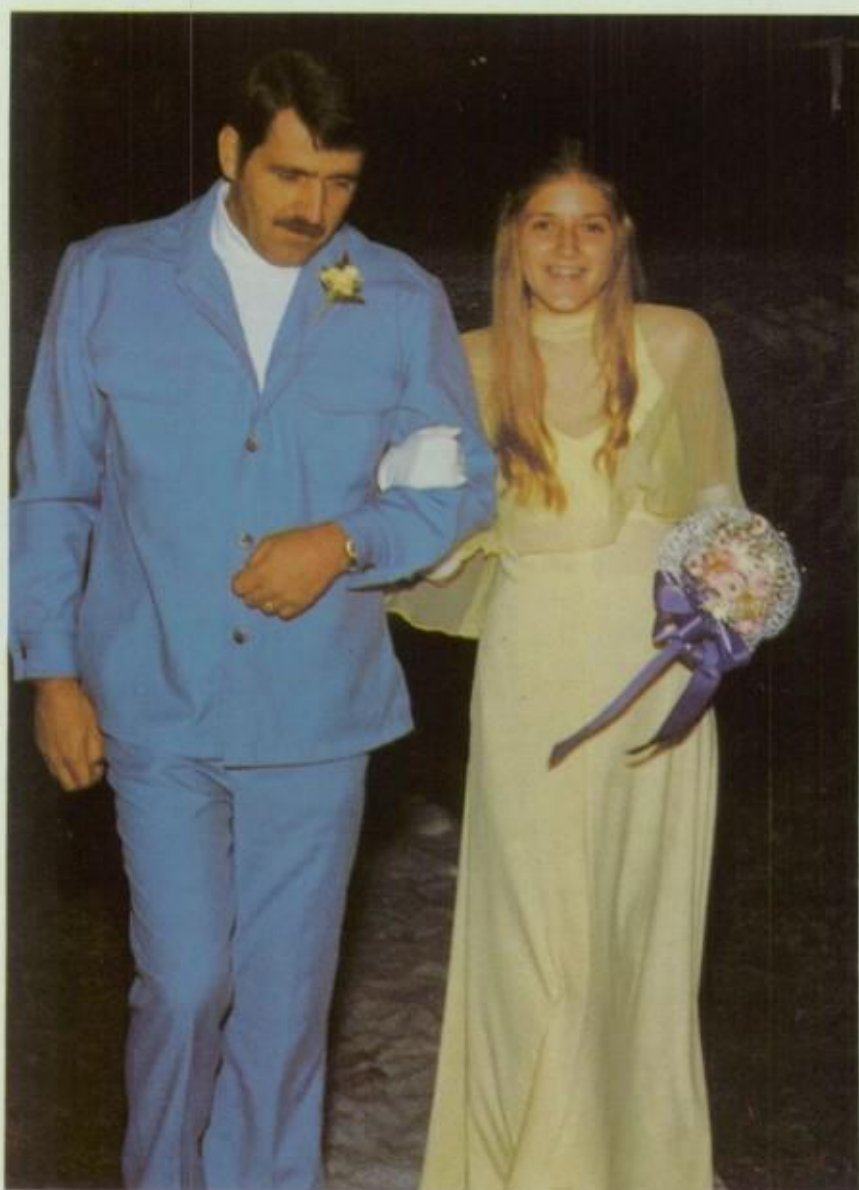

Lancer Day 1977 will long be remembered as one of the most exciting events of this school year. The days festivities began with the crowning of Queen Patty Howard-Jones and King Ken Kebow.

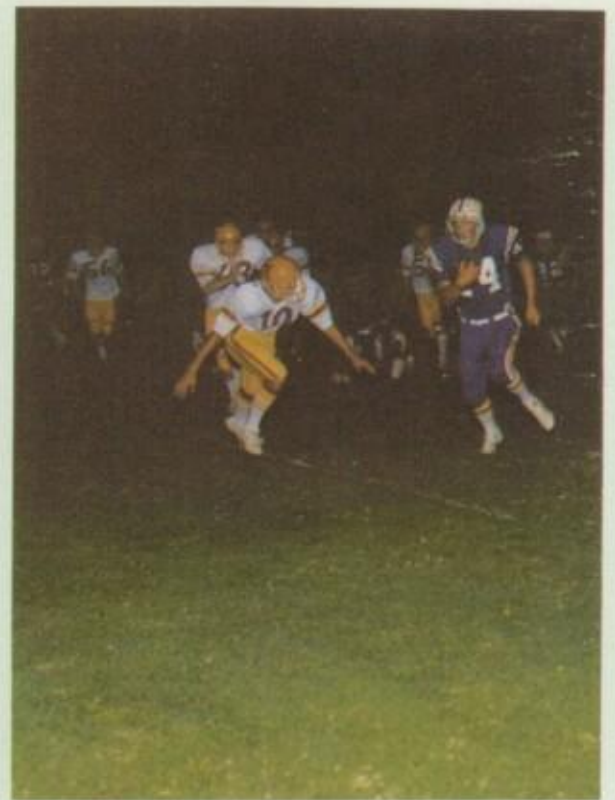

The Lancer Court consisted of Miss Karen Stults and Mr. Bill Einertson, Miss Sharon Stults and Mr. Mike Regan, Mr. David Sammons and Miss Julie Baur, and Mr. Kevin Shields and Miss Tammy Ambrose.

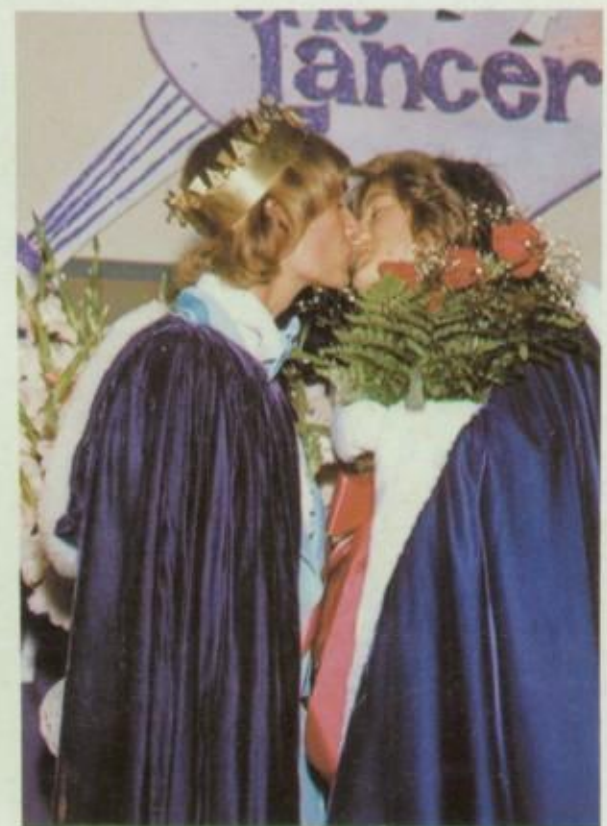

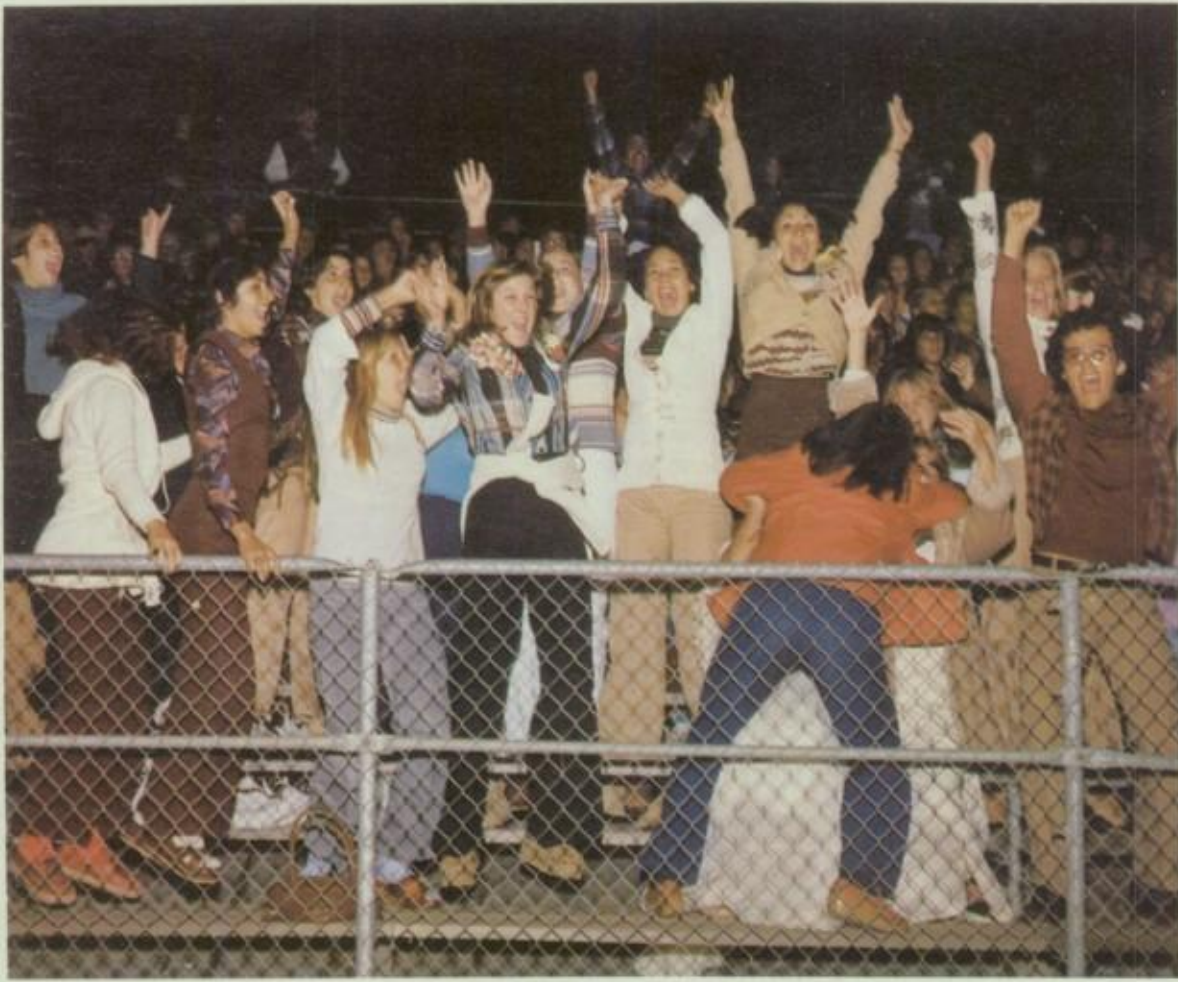

Following the assembly the day was highlighted by a parade, featuring the class floats. The winning float this year was the Senior class float, followed by the Junior, Sophomore and Freshman floats.

That evening the C.H.S. Lancers played the Torrey Pines Falcons. The Lancers came from behind in an exciting finish to win the contest 31-30.

Truly a Lancer Day to remember.

Dedication

Having been in this area for 31 years and working in the district for 11 years, Mrs. Nan Leighton has brought happiness and joy to many students, through her bubbling personality and warm smile. In her years at Carlsbad, Mrs. Leighton has worked in attendance, on the switch board, as Athletic secretary, and every year has assisted with the Awards program and graduation.

Mr. Miller and Dr. Deason remember Nan a little better than most as they went to high school, in Oceanside, with her. Coach Lewis attended the old Oceanside-Carlsbad Junior College with Mrs. Leigh-

ton on the Oceanside High School campus.

Mrs. Leighton has been married for 24 years and has two children, a girl and a boy.

Her involvement in school activities leads her to say, "It is good for kids to be involved in school because they'll get more out of school- from sports to music to ASB- anything, just get involved."

The Yearbook Staff of 1978 would like to dedicate this book to Mrs. Nan Leighton and thank her for all her help and devotion to Carlsbad High School.

Seniors Win Superbowl

Imagine a beautiful blonde streaking toward the end zone- 20,10,5, touchdown. No, this wasn't the action at one of the Lancer football games, but the fast paced events of the CHS "Super Bowl."

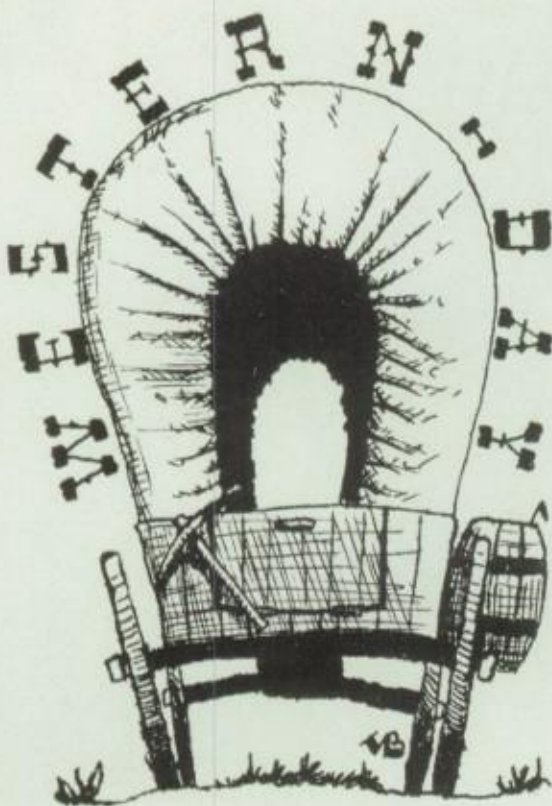

This year the Seniors battled the Juniors in a defensive struggle and scored a narrow victory, 8-0. The winning touchdown was scored on a one yard plunge by Patty Howard-Jones. The extra points were added on an end sweep by Marina Sarko.

In the Sophomore - Frosh game the Sophomores came away with the victory by a score of 6-0. Sophomore Gina Trinci romped 52 yards with an intercepted pass, and the Sophomore defense held off a late rally by the Freshmen.

To add to the evening's festivities the antics of the Senior And Junior Cheerleaders kept the crowd in stitches.

Even though Carlsbad High School doesn't have saloons, stage coaches or horses, the CHS version of Western Day turned out to be a complete success. Every time you turned around you could see people in duels or speaking in a Texas drawl. The lunch time assembly proved to be one of the noisiests of the year as the sound of shot guns resounded in the gym. Wyatt Eurp and Kit Carson would have been very proud of the goings on in the month of January at Western Day CHS style.

1. Pepe PrudHomme looks upon his victim. 2. David Good draws 6 gun. 3. David Sammons and Debbie Frances participate in egg race. 5. Suzanne Gooch has drink before participating in Western Day. 6. A real spure from back from the old west. 7. Sandy Pasini holds up Carol Serna and Jana Bond. 8. David Reidmuller and Wendy Wisely get ready for Alma Mater. 9. Carrie Rowlet, Marina Sarko, Collen Frietas just having fun. 10. Collen rides western day horse.

Halloween Day Is A Scare

Besides Halloween Dress-up day being celebrated on November 4, it turned out to be one of the biggest assemblies of the year. Over 300 people participated. This was said to be the most successful Halloween dress-up day that C.H.S. has ever had. There was an assembly at lunch in which the best costume won a prize. This was won by a Johnny Downer dressed up as a clown, with kiss getting second.

Junior Varsity Cheerleaders Promote School Spirit

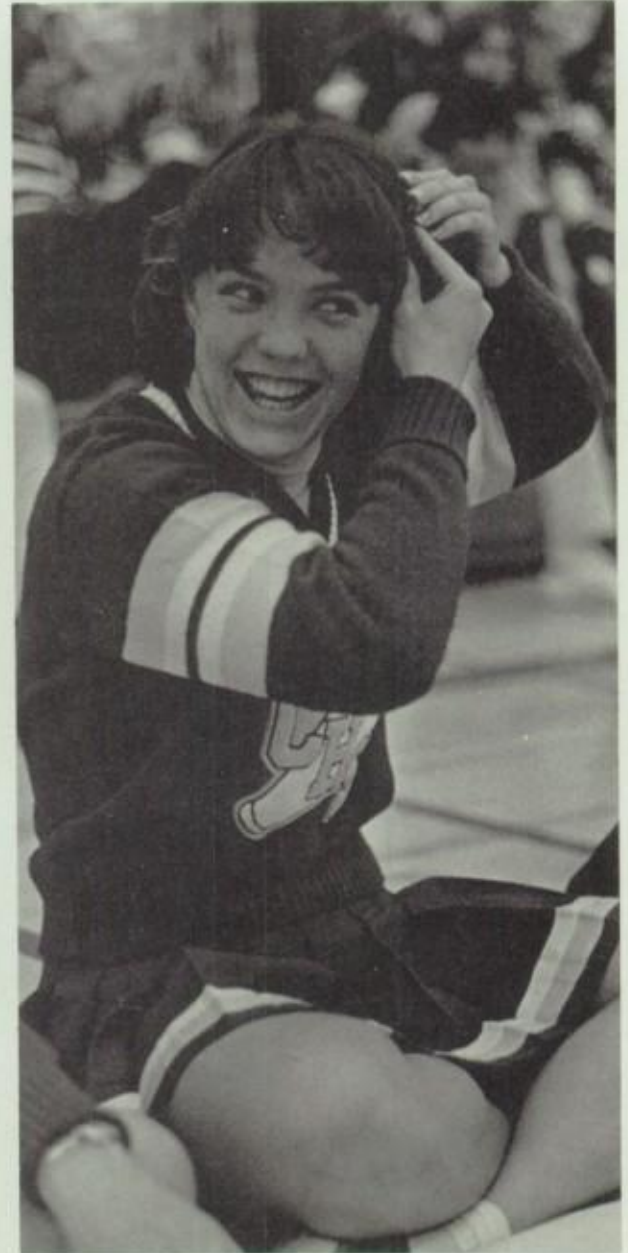

Although the Junior Varsity cheerleaders were looked upon as a separate cheering squad, and Frosh and Varsity as well, the three squads worked together throughout the school year in promoting school spirit. These enthusiastic cheerleaders attended many athletic events in which they cheered the teams to victory.

Drama Department Presents Matchmaker

In the month of December the CHS Drama Department, lead by Sarg Smith, presented The Matchmaker by Thornton Wilder.

The "Matchmaker" is actually the musical "Hello Dolly" without music. The story revolves around a hard working, self-sufficient, middle-aged widow, Dolly Levi, who aspires to be the wife of Yonkers wealthiest citizen, miserable Horace Vandergelder. Confusion reigns as Dolly continues to foil every attempt Horace makes to get a wife. Needless to say the play ends up with everyone in the cast properly matched up.

Snow White Memories For Winter Formal

Saturday, January 28th, was the night of the annual CHS Winter Formal. The dance, sponsored by the 1978 Senior Class, featured the disco sound of "Horizon" as 101 couples "boogied" the night away from 8-12. The theme of this years Winter Formal was "Snow White Memories" and the Carlsbad High School Gym was cleverly decorated by the Senior Council and helpers to add to the evenings festivities.

Guys And Dolls

In the month of May, the C.H.S. music department performed a fantastic musical called "Guys and Dolls." The setting of the play is in New York in the 1950's. The main characters of the play were Sara (played by Cindy Scherr), Sky Masterson (David Hops), Nathan Detroit (Jim Weiss), Adelaide (Mary-Beth Kellet), and Nicely Nicely (David Reidmuller). Using a large cast and some members of the C.H.S. band and orchestra, the musical attracted quite a crowd of theater goers.

Boys' State-Richard Hodges

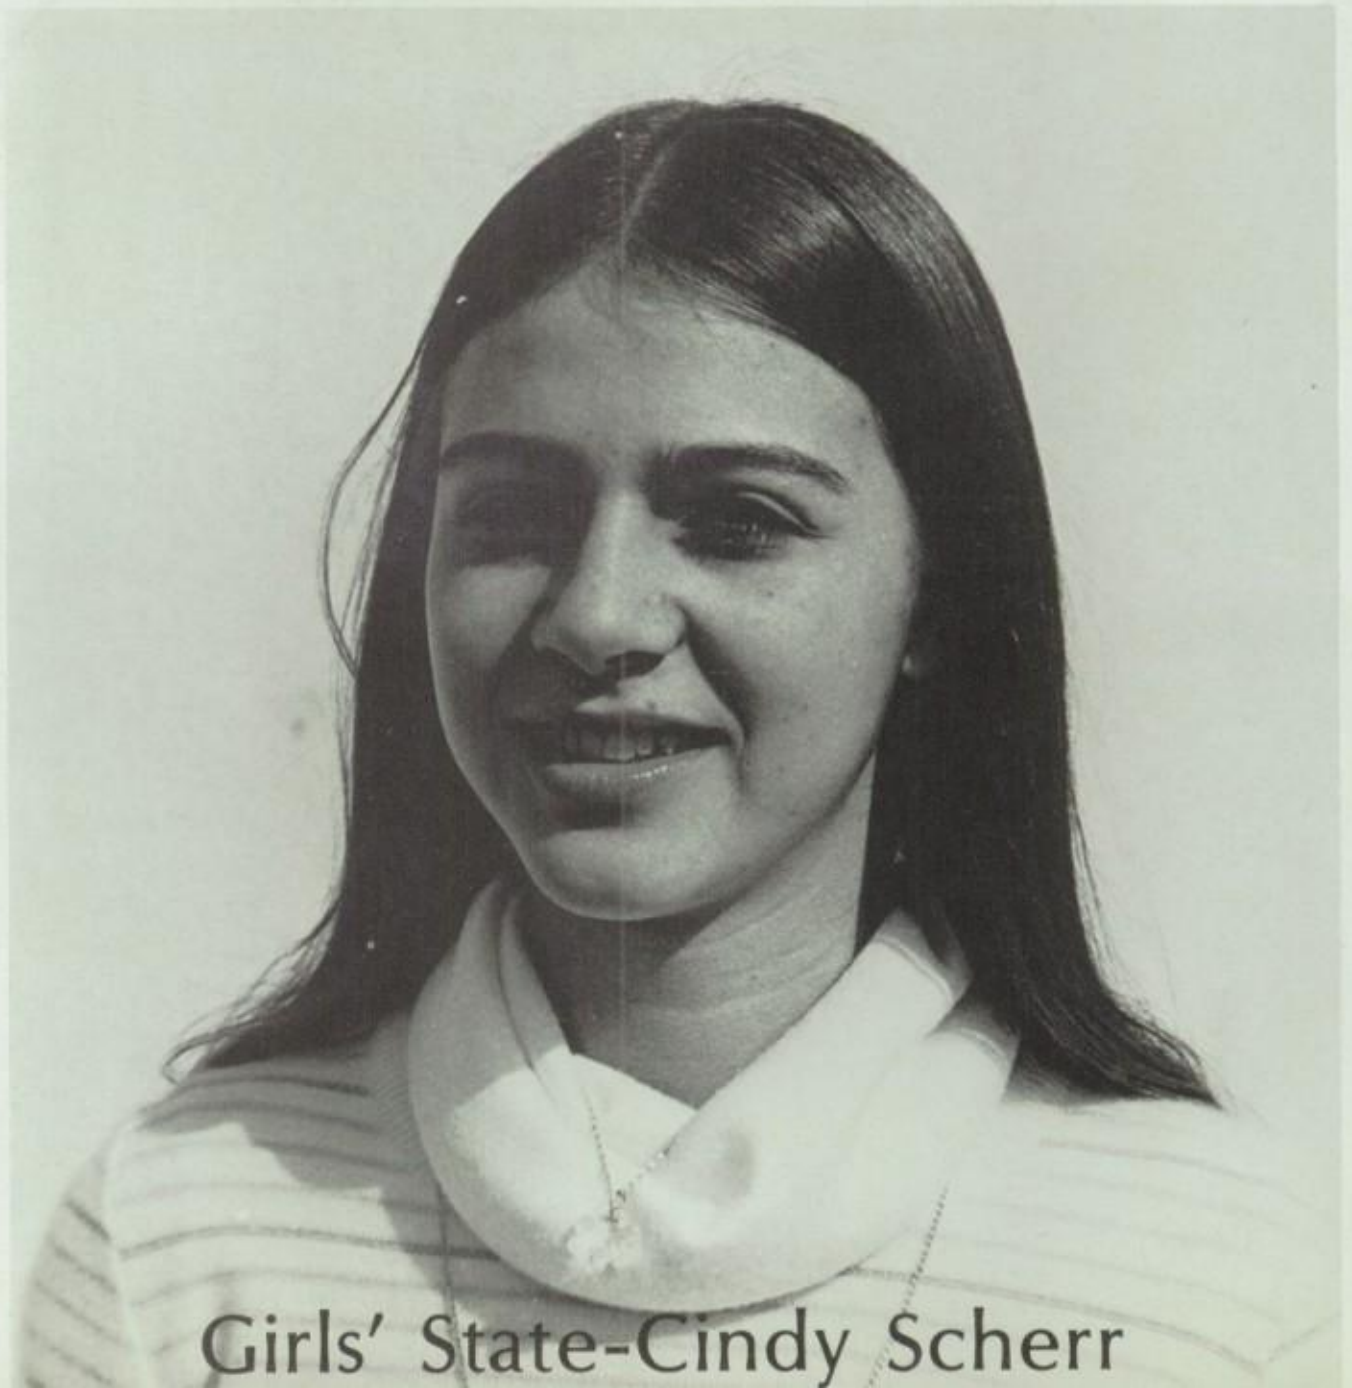

Richard Hodges was selected to attend the Boys' State Convention held at the University of California at Santa Cruz which is sponsored annually by the American Legion Auxiliary.

The convention, which lasted one week, consisted of many meetings concerning how to apply government on various levels such as local, regional and state branches. Richard belonged to the Whig Party and held the position of treasurer.

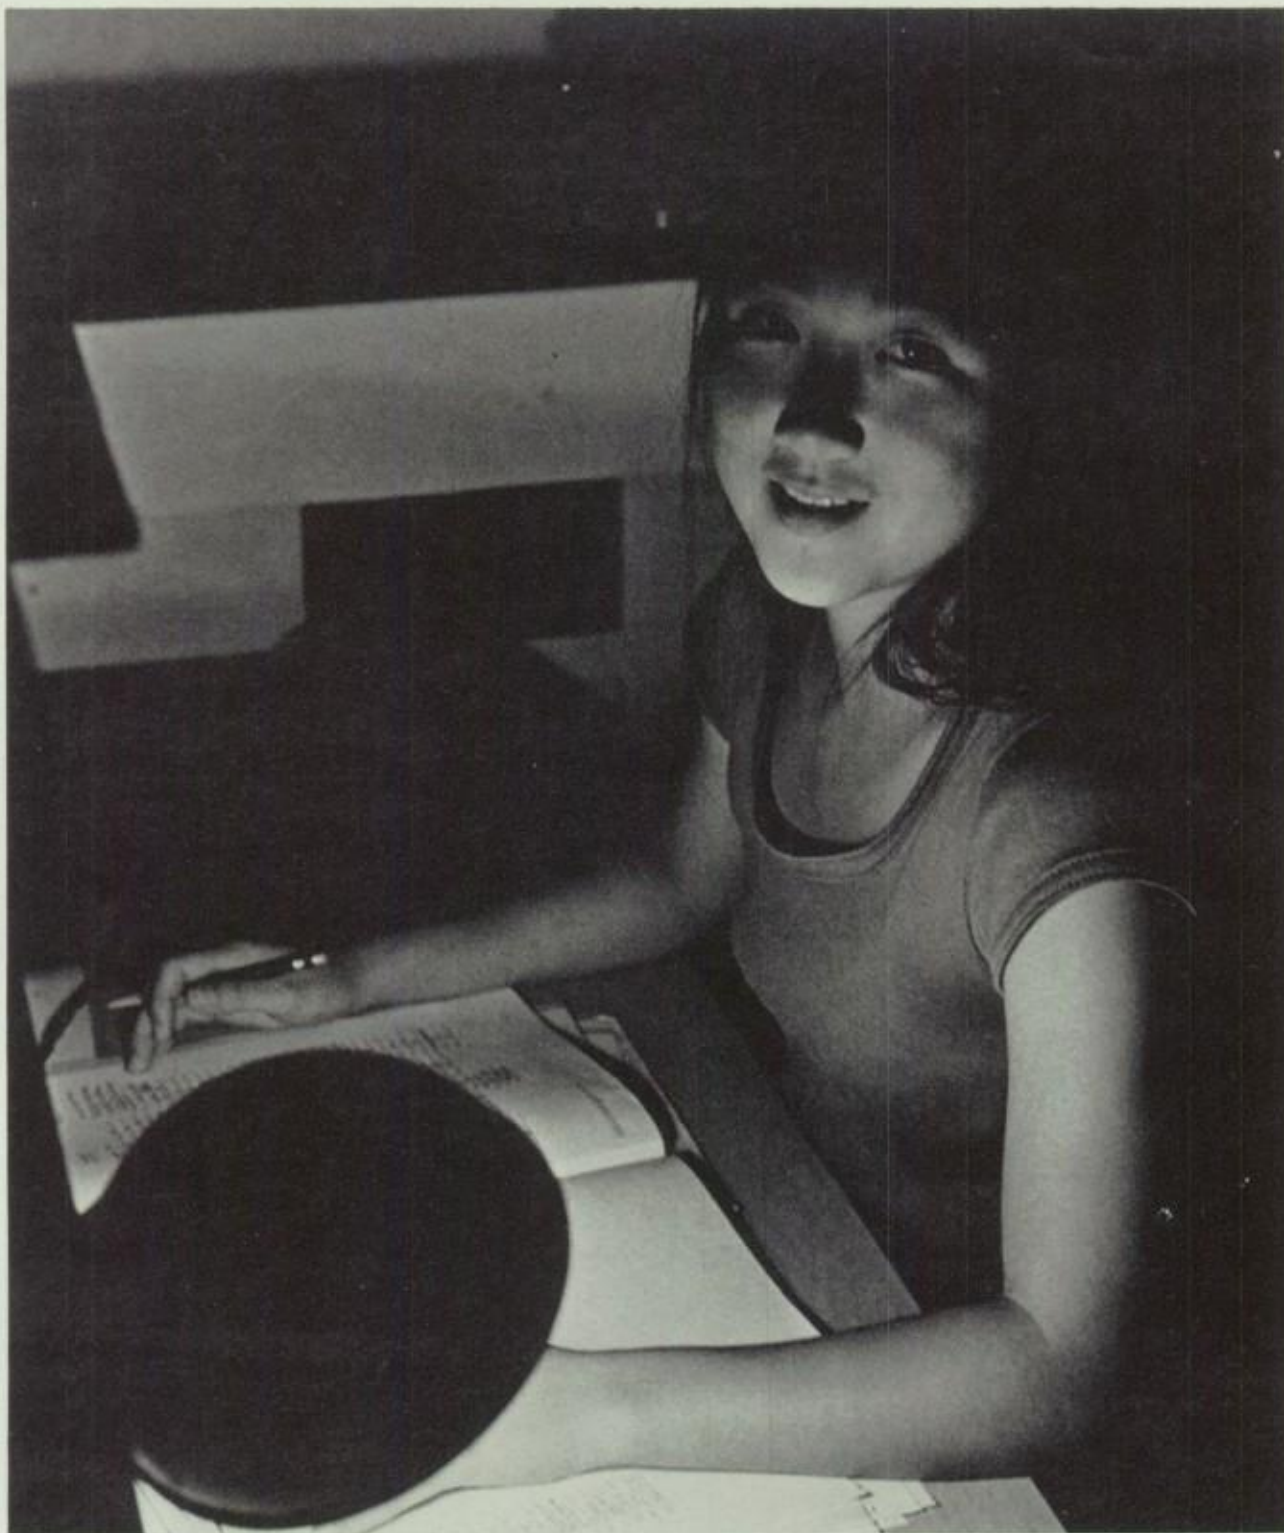

While at the convention, Richard broke the record in the 440 run and took 3rd place in the Ping Pong tournament.

Cindy Scherr was chosen Girls' State Representative and went to the convention which was held at Sacramento State University. Cindy was elected Superior Court Justice of the Tory Party. Cindy enjoyed the convention and said that she met more people in one week than she had known in her whole life. She felt the main objective of the convention was to learn about and to apply government on different levels.

Girls' State-Cindy Scherr

Valedictorian-Joyce Chen

Concerning awards, Joyce has won the Ketner Biology Award in her sophomore year and the Pace Chemistry Award in her junior year. She was also qualified for the National Merit Scholar Award, and won the Elks Club Scholarship.

Weather Plays Role In Softball Play

The Varsity Softball Team battled a rainy season and an improved Avocado West Softball League as they fielded one of the strongest hitting teams ever assembled for softball. The encouraging factor for this years team is that only two of the players are seniors. With strong bat strength from Karen Thompson, Pam Materson, Pat Demy, and Mary Jo Kern; coupled with the ever improving pitching of senior Joanne Kinghorn, the Lancers were a force to be recond with in the Avo-West. Coach Jane Seybert stressed defense this year and excellent fielding was the key to many Lancer victories. Pictured: 1. Junior Jody Prichard smiles after earning a base via a hit. 2. J.V. Softball Has Ups And Downs

The Junior Varsity Softball Team battled the same elements as the varsity but still managed to come out with a fine year. Good efforts by Michelle Hardgrave, Gloria Vosburgh, Michelle Nezet, Lisa Reiner and Jill Prichard help Coach Heidi Kendall's team field a strong unit for the '78 season. The teams new pitching machine also help develop strong hitters for the Lancer softball future.

Varsity Basketball Off To Good Start

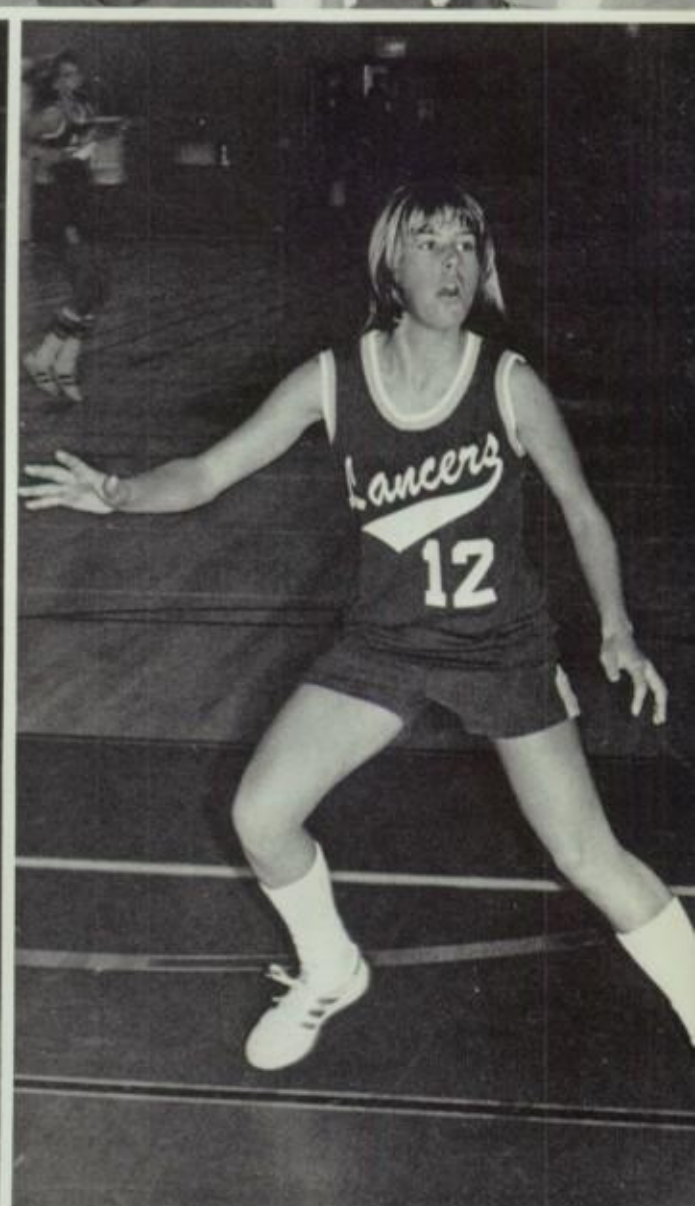

"We don't expect to dominate anyone physically but we do feel that in overall basketball skills we can compete with the best of them." This optimistic view was expressed by Varsity Coach John Nadone.

With a varsity team comprised of only two seniors, this season should be a building one for the Lancer girls Basketball. Senior guard Patty-Howard-Jones once again started the season off with several + 20 point games. With Sophomore center Gina Trinci, Freshman guard Carolyn Frazee, Junior forward Karen Thompson and Senior forward Joanne Kinghorn the Lancers should present a respectable team for the tough Avo-West League.

The girls participated in 2 tournaments during the season and at the time of publication possessed a 4-4 record.

The 1977 CHS Varsity Football team had a very enthusiastic and rewarding season which turned out some outstanding players. This season ended with an overall record of 4-5, and a 2-4 league record. The Lancers had many exciting games. The season started off to a good start with a suprise 14-7, non-league victory over Mt. Carmel. The teams' second victory came in another non-league contest against Escondido, which turned out a close score of 23-22. The highlight of the season was when CHS beat Torrey Pines 31-30 on Homecoming. With T.P. leading 30-18 and six minutes left on the clock the Lancers started a scoring drive which was too exciting to forget. The Lancers' finished the season with one of their finest games against San Dieguito which brought a 21-9 victory.

The Varsity captains were: Richard Hodges, Mike Regan, and Dave Sammons.

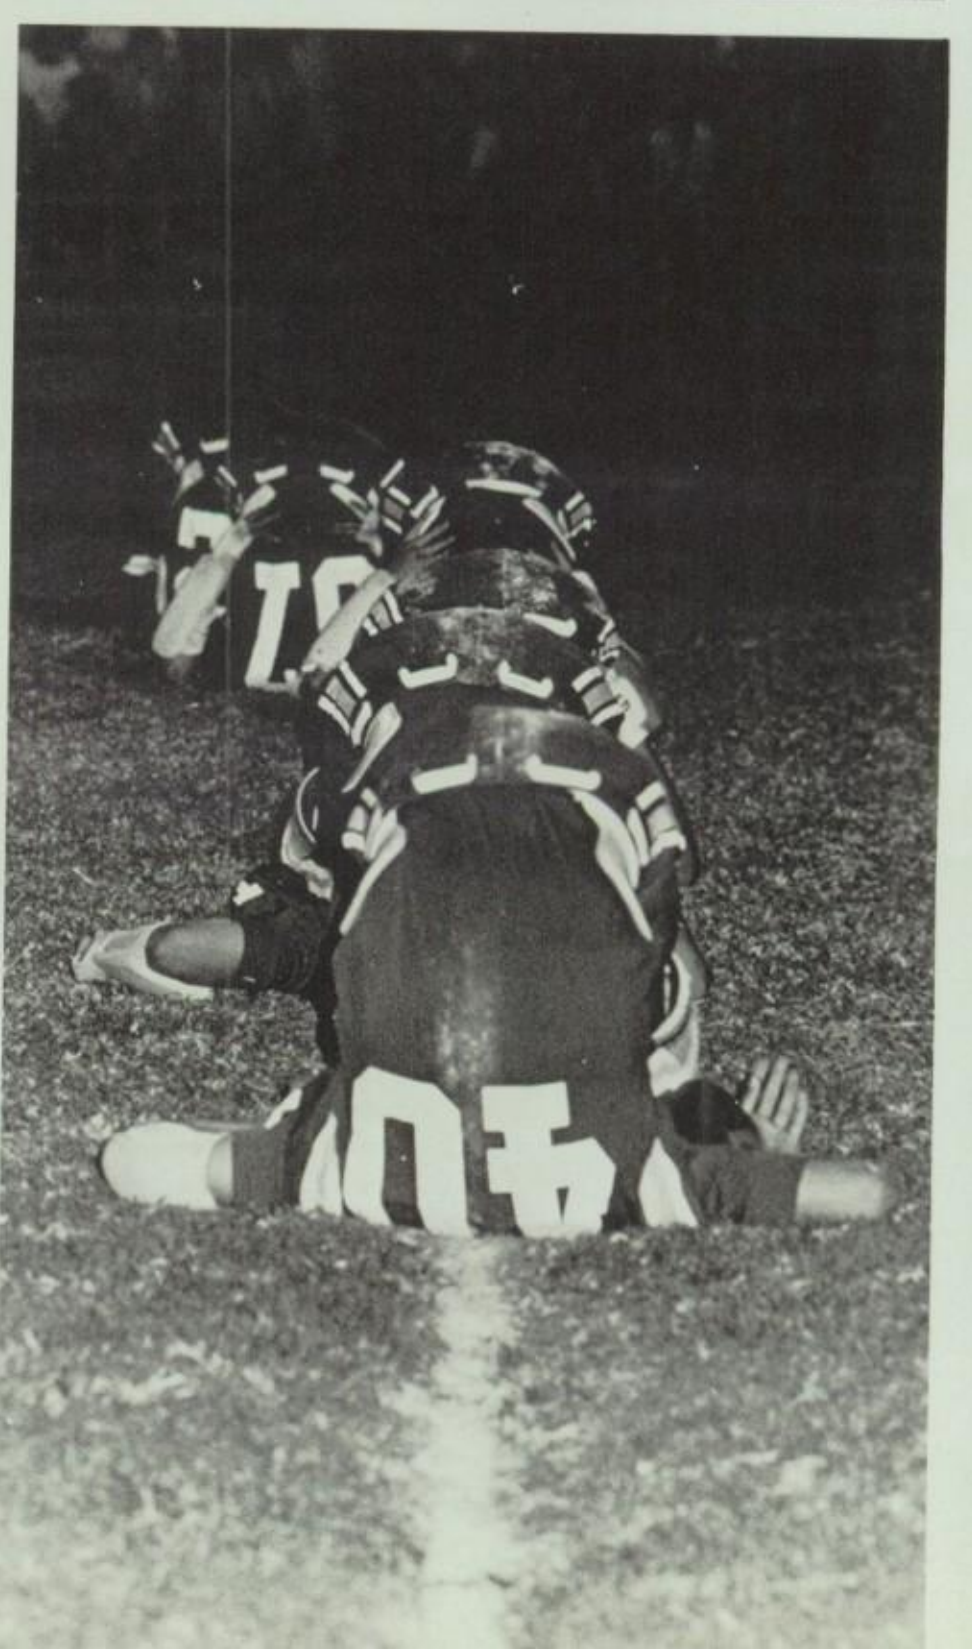

Offensively the Lancers were lead by Kevin Shields and Mike Regan. Kevin finished the season with 900 yds. rushing and receiving and was the 4th leading receiver in the county. Kevin was also selected 2nd team for offense and defense, all-league, and was picked by his teammates as most valuable player and was awarded the Golden Helmet Award from the coaches.

Mike Regan was selected 1st team all-league Quarterback with 700 yds. passing and a 66% completion record. Mike was also awarded "Offensive Player of the Year".

The "Offensive Lineman of the Year" award went to senior Craig Kelsey. Craig and Frank Soto are the only seniors graduating from the starting offensive line, which leaves many good players for a promising season next year.

Although the defensive starters will lose the outstanding playing of seniors Cliff Cook, Johnny Downer, Greg Evans, Brent Huffman, and Dave Sammons, returning for next year will be Tom Baird, Mike Dahlquist, John Fredericks, and Ron Rodriguez. This year Dave Sammons received awards for "Defensive Player on the Line", and "Most Inspirational" and Mike Dahlquist was voted "Defensive player of the Year".

C.H.S. Soccer Goes International

The Carlsbad Varsity soccer team started the season with a fine pre-season record of 4-1, only to run into a much improved Avo-West soccer league. Halfway through the season the Lancers were 0-5-1, playing hard, tooth an nails soccer, finding the other teams had vastly improved from precious years.

Coach Kim Marshall fielded what he called his "International Team" this year as two AFS students, Rene Heisig and Rui Alves, and two cultural exchange students, Dragon Vrajhac and Eduardo Campana, joined the rest of the Lancer squad. Senior Ismael Herrera returned for his final year to help lead the team in scoring. The rainy months of December and January hurt the squad as they found practice time hard to come by.

J.V. Soccer Returns to C.H.S.

Coach Delores Robertson's Junior Varsity Soccer team fought through rain, mud and lack of good practice time to complete their first year of play on the C.H.S. campus. At the mid-point in the season, her squad had a 4-5-3 mark and were 1-2-2 in league.

Lead by Louis Alcaraz and Mario Manzano these players should provide a strong nucleus for the Varsity.

Varsity Wrestlers Pin Hopes On Future

Coach Nelson's Varsity Wrestling team got off to a fast start at the beginning of their season by strong showings at the pre-season tournaments they attended. Taking 1st place at the first annual Carlsbad Tournament, and 2nd place at the San Dieguito Invitational. The Grapplers then went on to show their duel meet strength by crushing San Diego city school Patrick Henry, 56-4. At the El Cajon Tournament individual honors were won by Mike Dahlquist, who placed 5th, and Randy Cornett and Bill Fallon, both placing 6th.

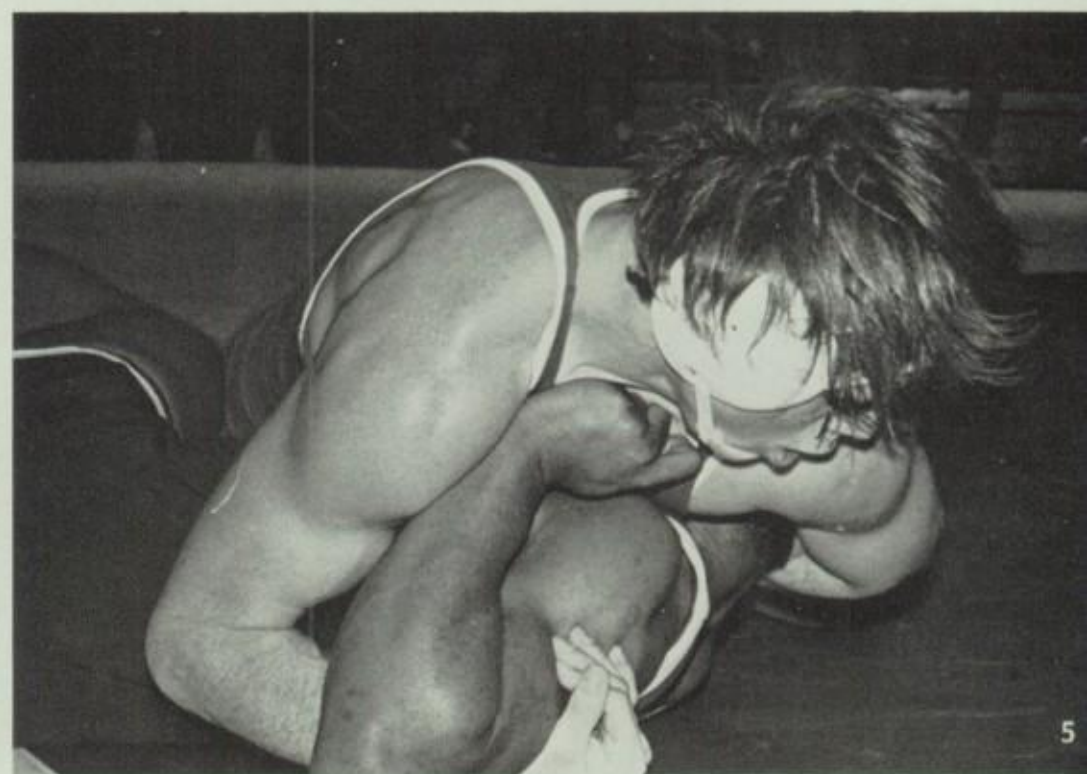

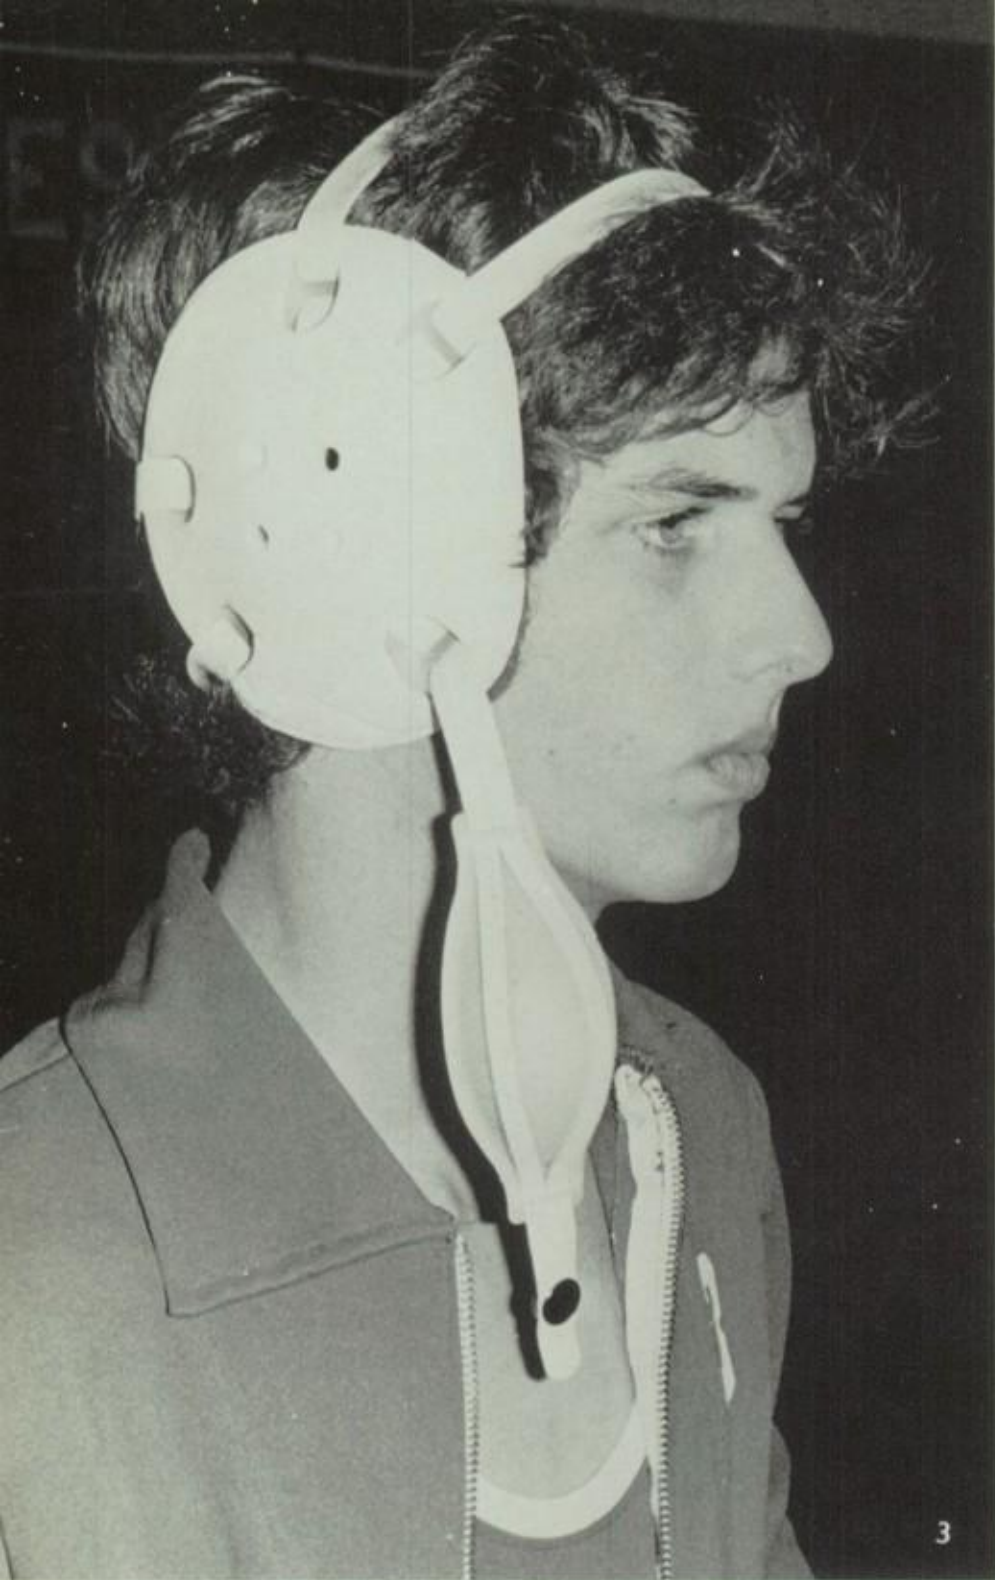

League play started with a disappointing loss to Fallbrook, 21-26. Carlsbad bounced back at another tournament placing 2nd at the home tournament. The next league match was in the Carlsbad gym against crosstown rival Oceanside. The Lancers scored a solid team victory over the Pirates. In a non-league match the Carlsbad team scored a lopsided victory over the Escondido Cougars.

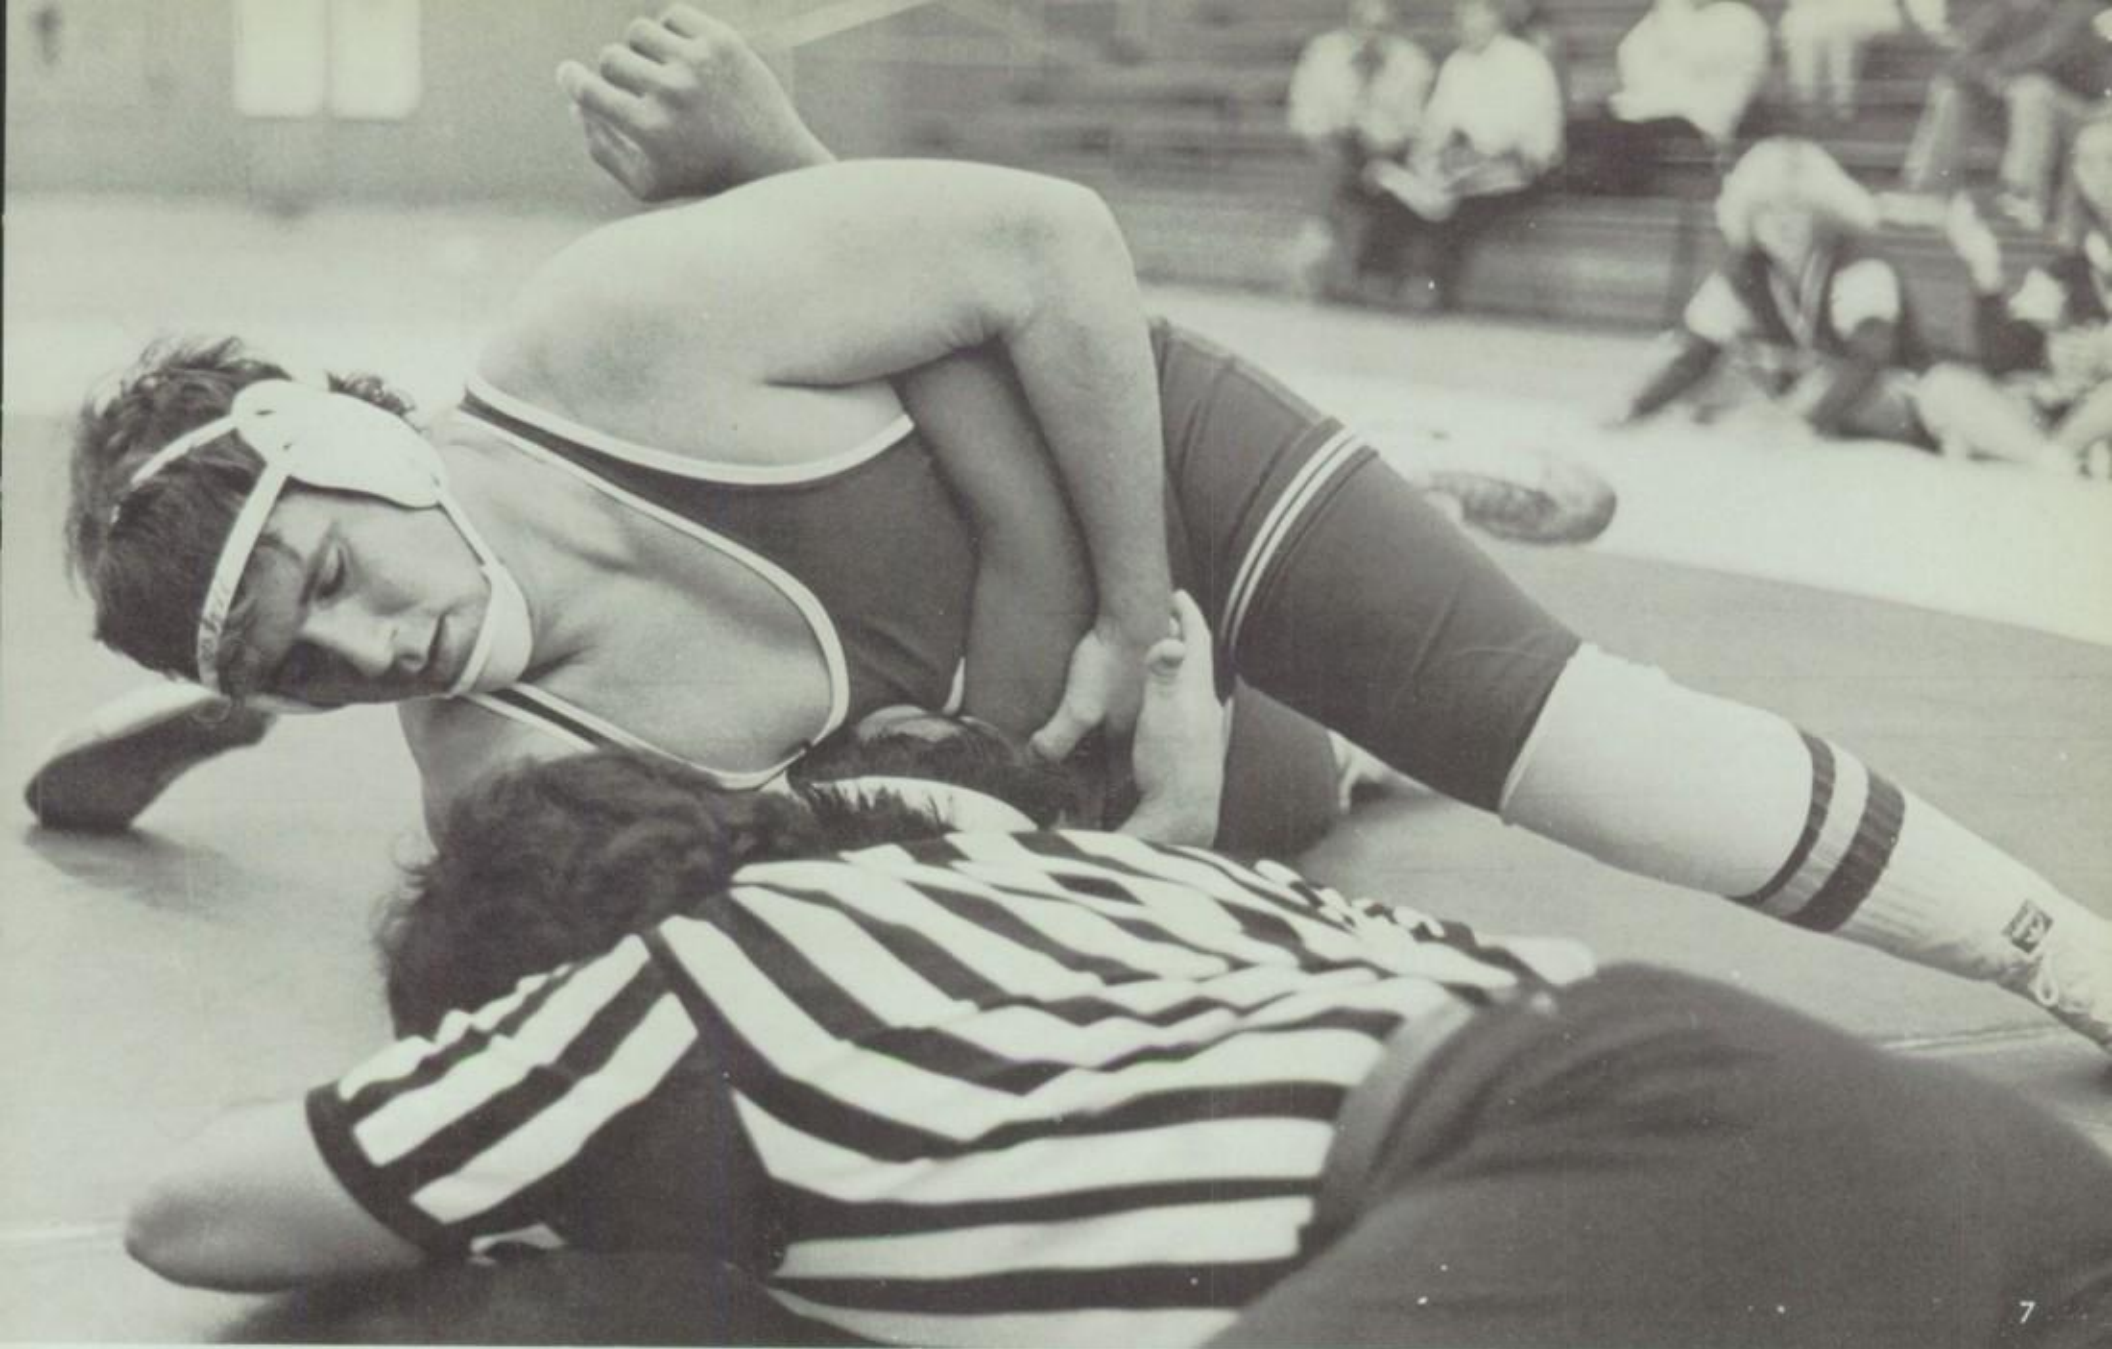

Then came the match of the year. The Lancers took on CIF powerhouse, El Camino High School from Oceanside. In a close contest the Lancers were edged by the Wildcats, 23-29, as Carlsbad's Darrell Pines, Jimmy Dineen and Craig Kelsey scored pins as the Lancer's kept pressure on the El Camino team throughout the evening.

Coach Mark Nelson has a lot to smile about this year as only two the starting wrestlers are seniors and this years team will gain lots of experience in preparation for next season.

Frosh Wrestlers Show Pride

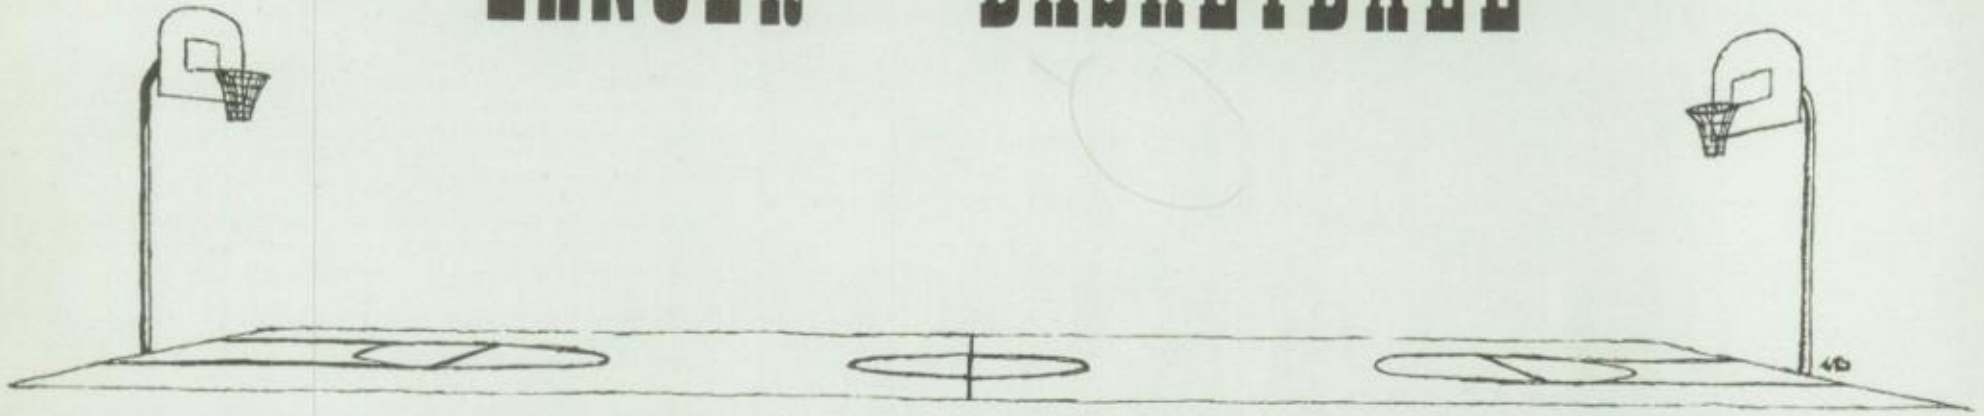

Coach Mark Nelson's wrestling program will have many successful seasons due to the strong wrestlers he is turning out through such teams as the Freshman wrestling squad. Varsity B'Ball Improves Season

This years Varsity Basketball team underwent many changes from the team that played in the Lancer Gym last year. Under the direction of new coach Bob Fisher, the team has put together a record that already has twice as many wins as last season.

The team proved to be a very exciting team and gave the fans many close games several going into overtime and double overtime. During the Christmas vacation the Lancer squad took part in the annual Kiwanis Tournament and managed to place sixth in the highly competitive tournament.

Lead by center Richard Tisdale and forward Mike Regan the Carlsbad team found some added height it has not enjoyed in seasons past. The return of Junior Varsity players Joe Hodges and John Hickman, who broke into the Varsity starting lineup, also added speed and ball handling ability to the basketball team. John Hickman and Mike Regan found the basketball range as they lead the team in scoring, and Senior David Hanna came on strong at the seasons end. Highlights of the Lancer year were resounding defeats of rivals El Camino and Oceanside High Schools during league play.

Lancer Basketball fans will have many victories to dream of when the returning lettermen join forces with the strong Lancer Junior Varsity for next seasons play.

J.V. Basketball Makes Run For Title

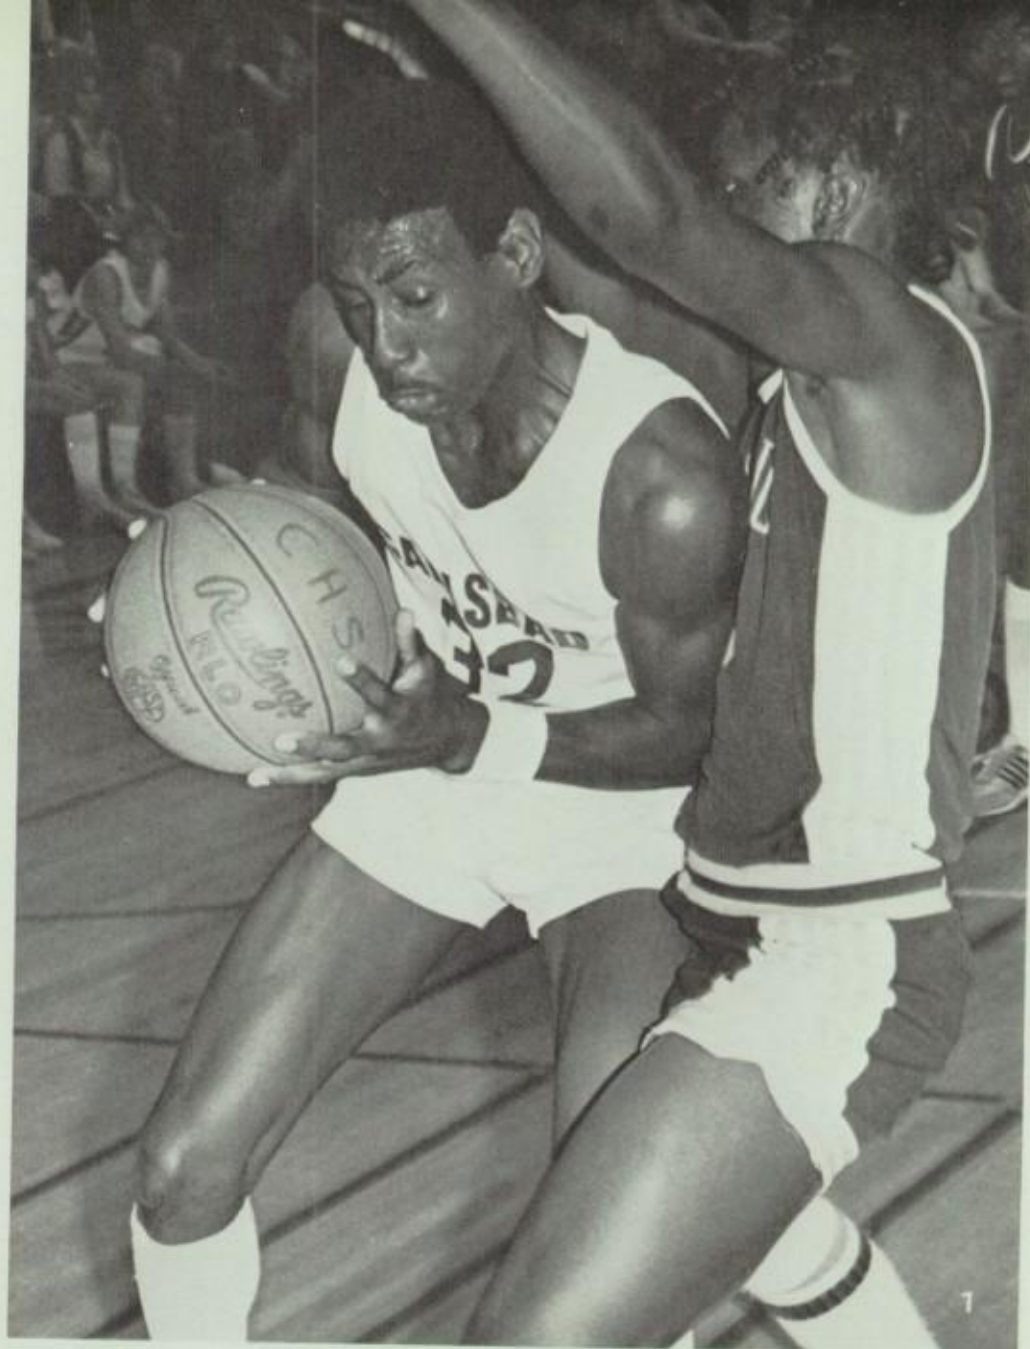

The 1977-78 Junior Varsity Basketball team enjoyed a super season and found themselves in first place with a 6-0 record half-way through the season.

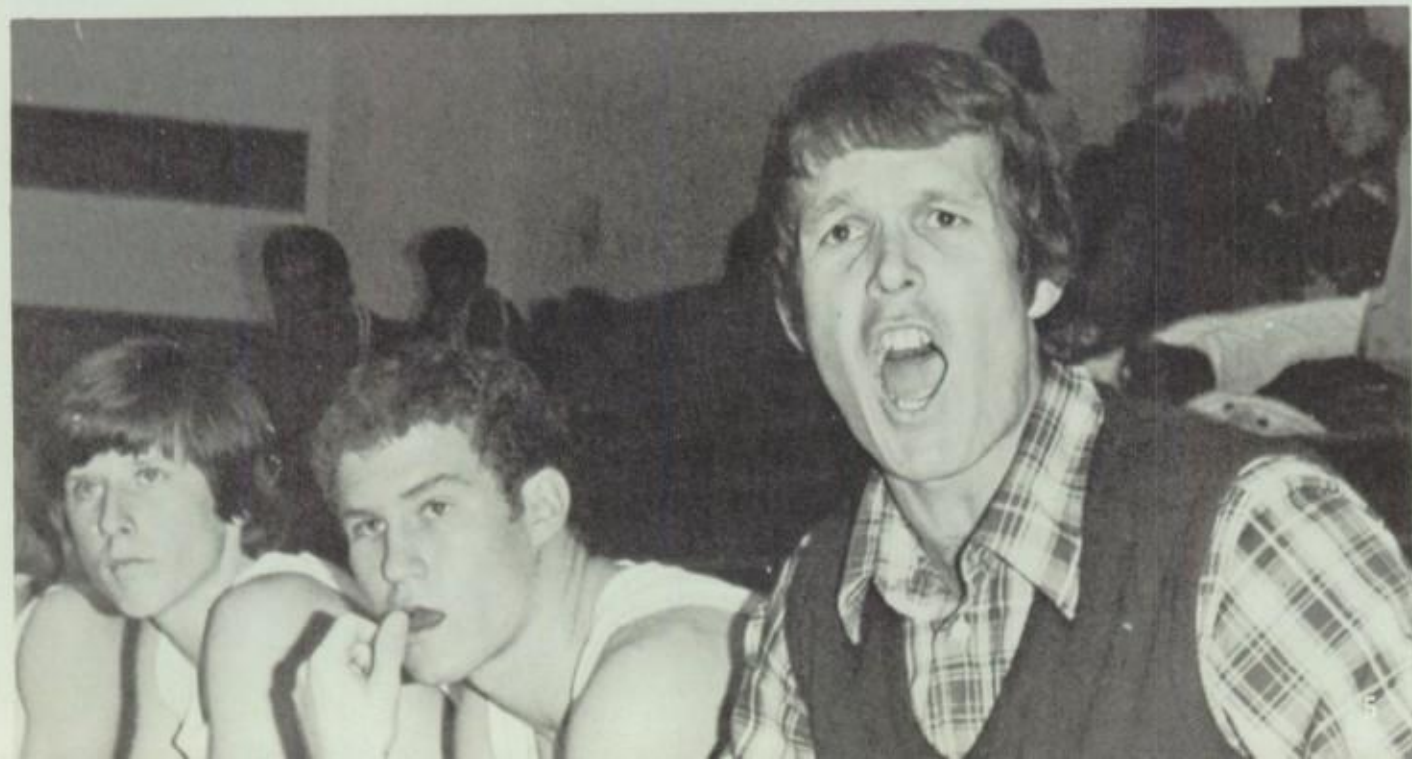

They participated in several tournaments and took second place in the El Cajon J.V. Invitational, and third in the Coronado Tournament. Outstanding play was the key word for this years J.V. team as Alanzo Robinson (center), Doug Ellis (forward), and Larry Newman (guard) enjoyed good game efforts. J.V. Coach Mike Bray said that this was one of the most hussling teams he had ever seen.

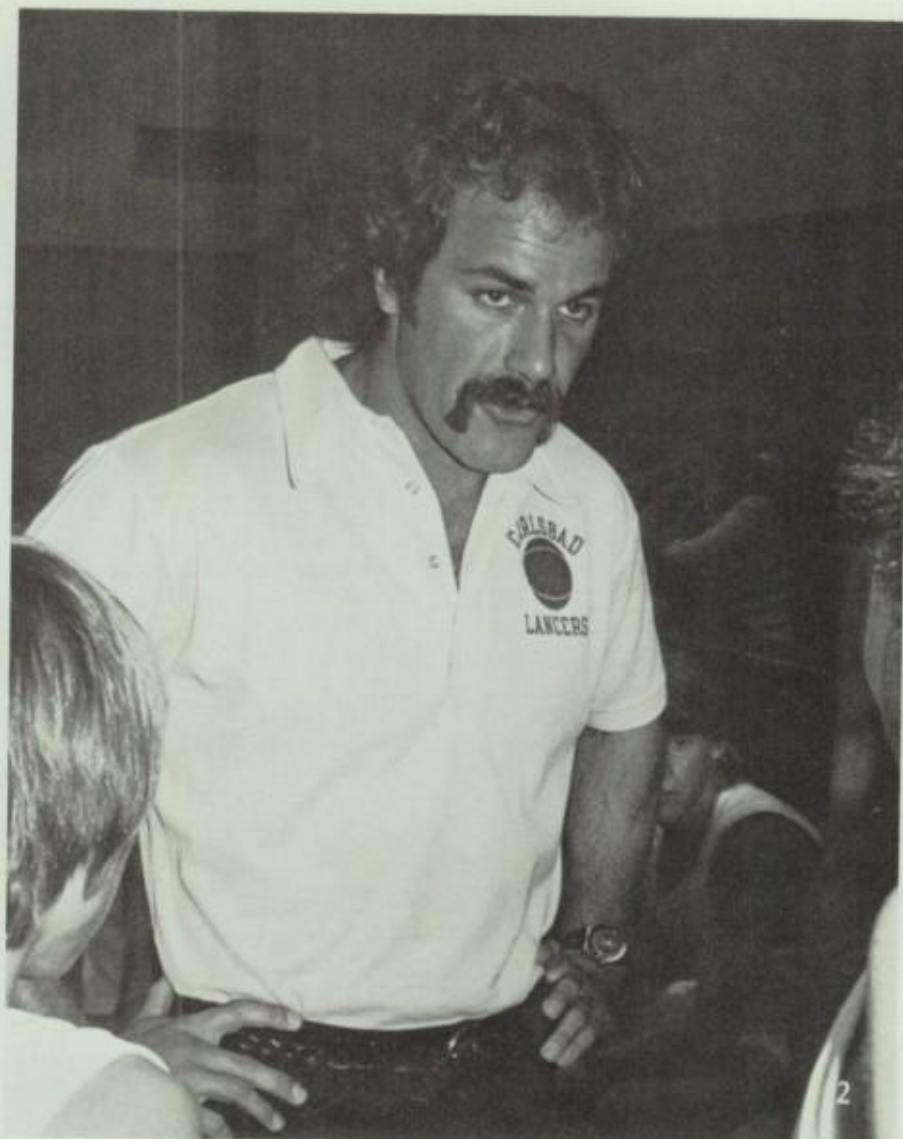

With continued good play, next years varsity squad should experience quiet a season.

Frosh B-Ball has Disappointing Season

Although the Freshman basketball team did not enjoy one of the winningest years in CHS history, they were still highly competitive and gave 100% at every game. Coach Mike McKinney noted that during the middle of the season the team began to improve drastically and began to put lots of points on the boards.

The top players for the Freshman squad were Jay McNabney, Brian Larsen, and Lyle Thompson.

The large Freshman team should supply the Junior Varsity squad with lots of talent and a determined bunch of players.

Varsity, J.V., Frosh Track Build For Future

"I am looking forward to this season. We have more than a hundred guys out for track. This year's team is a fairly young team, with only 15 Seniors," so stated Head Coach Bruce Tillman about the start of the track season.

Coach Tillman also said, "The league looks very competitive and Carlsbad, Fallbrook and Vista are all capable of beating each other, but El Camino is favored to take it.

With Richard Hodges, Richard Hamilton and Joe Stimpson, to mention a few, the Lancer track section should prove to be their strongest events.

Tillman also stated, "This year is the first year that we have so many boys come out for track. We have a tremendous number of Sophomores and Freshman come out for the team that should help to build the program."

Varsity Baseball Seeks Avo-West Title

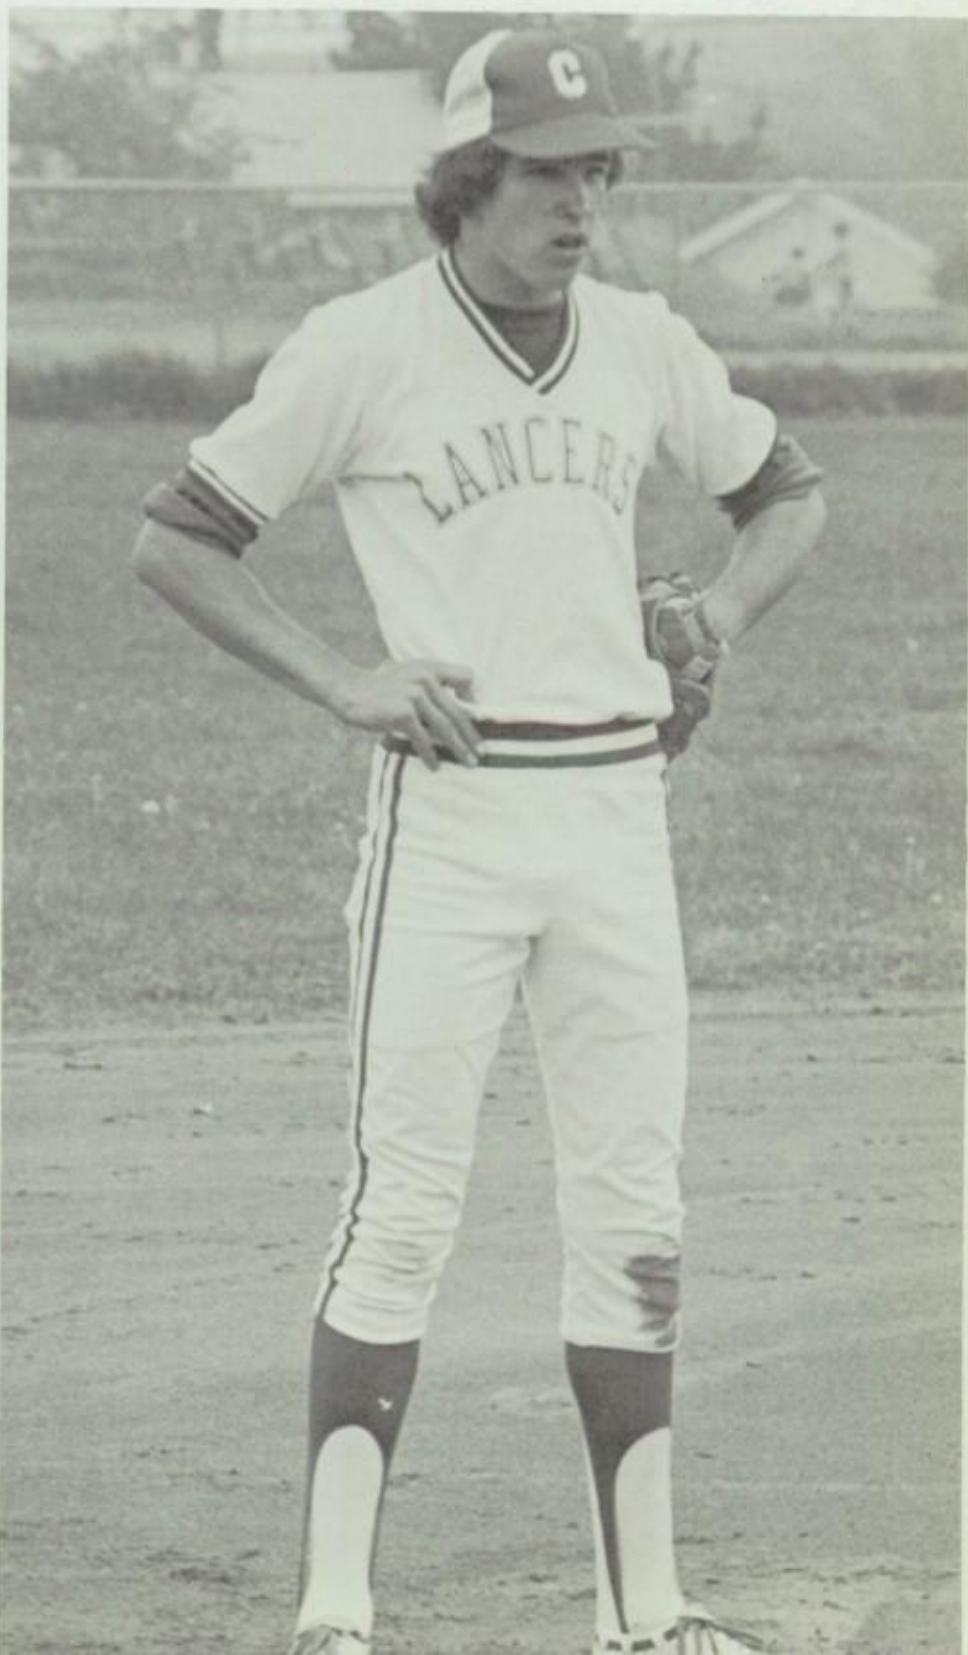

"The Lancers are an all around HOT team", says: Coach Stan Hubert.

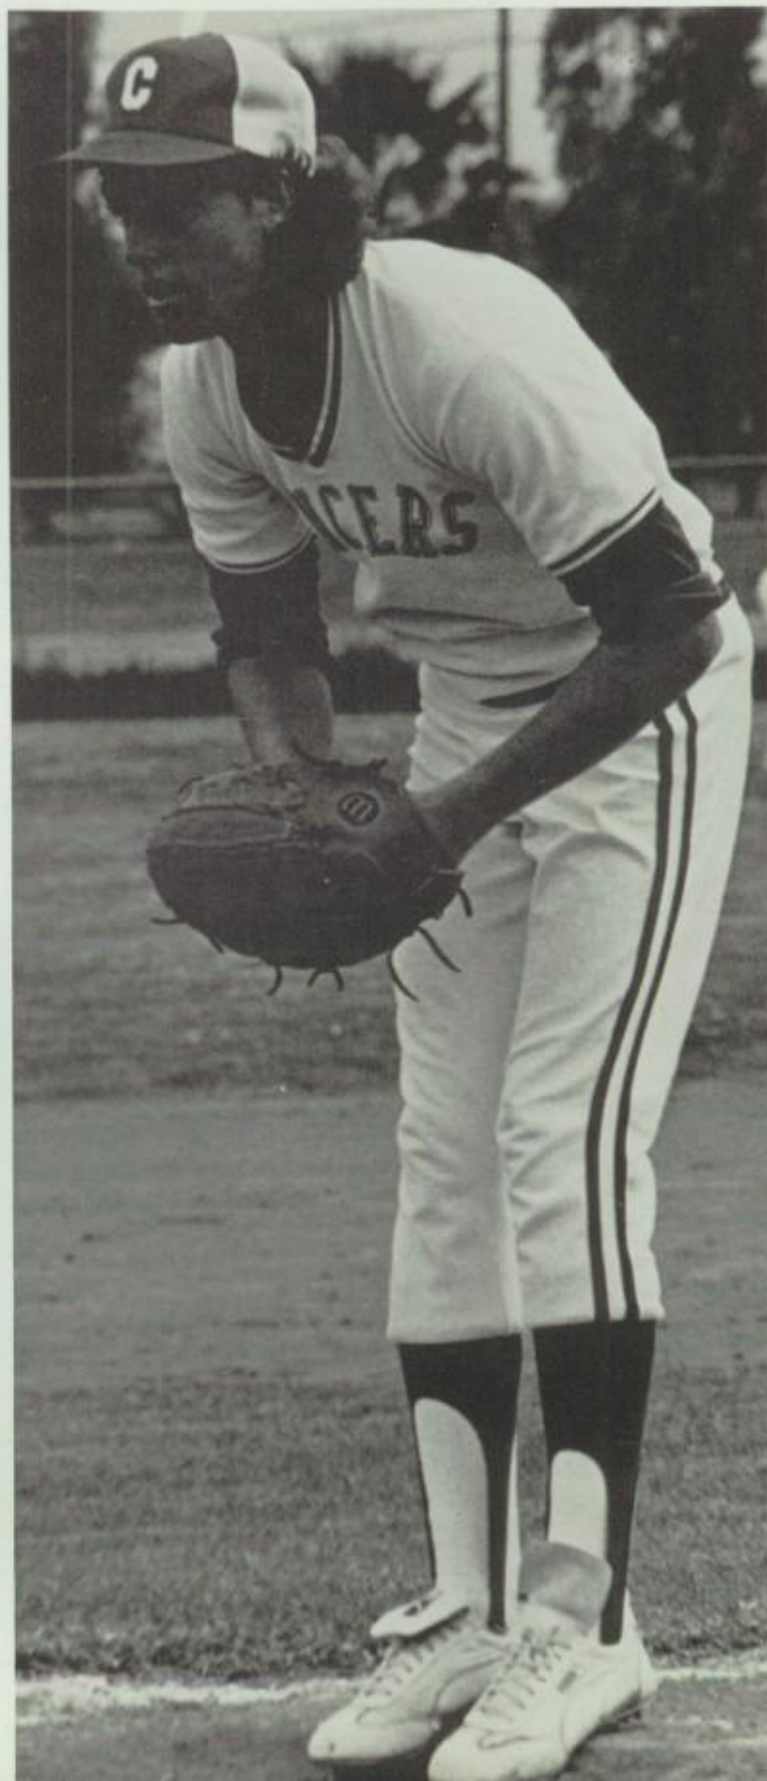

"Carlsbad will again be one of the Avacado Leauge Title contenders," states Coach Hubert.

At the time of publication the Lancers were 5-1 in the over-all-standing. They defeated Dana Hills 3-0 in their first game with an 8 strike-out pitching performance by Bill Yelhing. Solo home-runs were hit by Mike Regan and Dave Sammons.

In their second contest the Lancers also defeated Lincoln. In that game there were 15 hits and one earned run pitching by Kevin Sheilds, Steve Whitly and Steve Schwick.

J.V. Baseball Drives For Big League

This years J.V. baseball team is felt to be a very representative one by Coach Les Swaim.

At the time of publication, the J.V. Lancers have had only 2 days practice and played two games which put them 1-1 in the non-league play.

The outstanding players this year are Richard Castro, Vince Cruz, David Fenner, Mark Hermesen, Jim Molo, Ross Stifler, and Jim Sullivan and they should provide next years varsity with many fine players.

Team: Richard Castro, Vince Cruz, Dave Fenner, Mike Givens, Mark Hermesen, James Molo, Steve Pitts, Rolph Sammons, Jim Skinner, Ross Stiffler, Jim Sullivan, Wes Wright, Coach Les Swain.

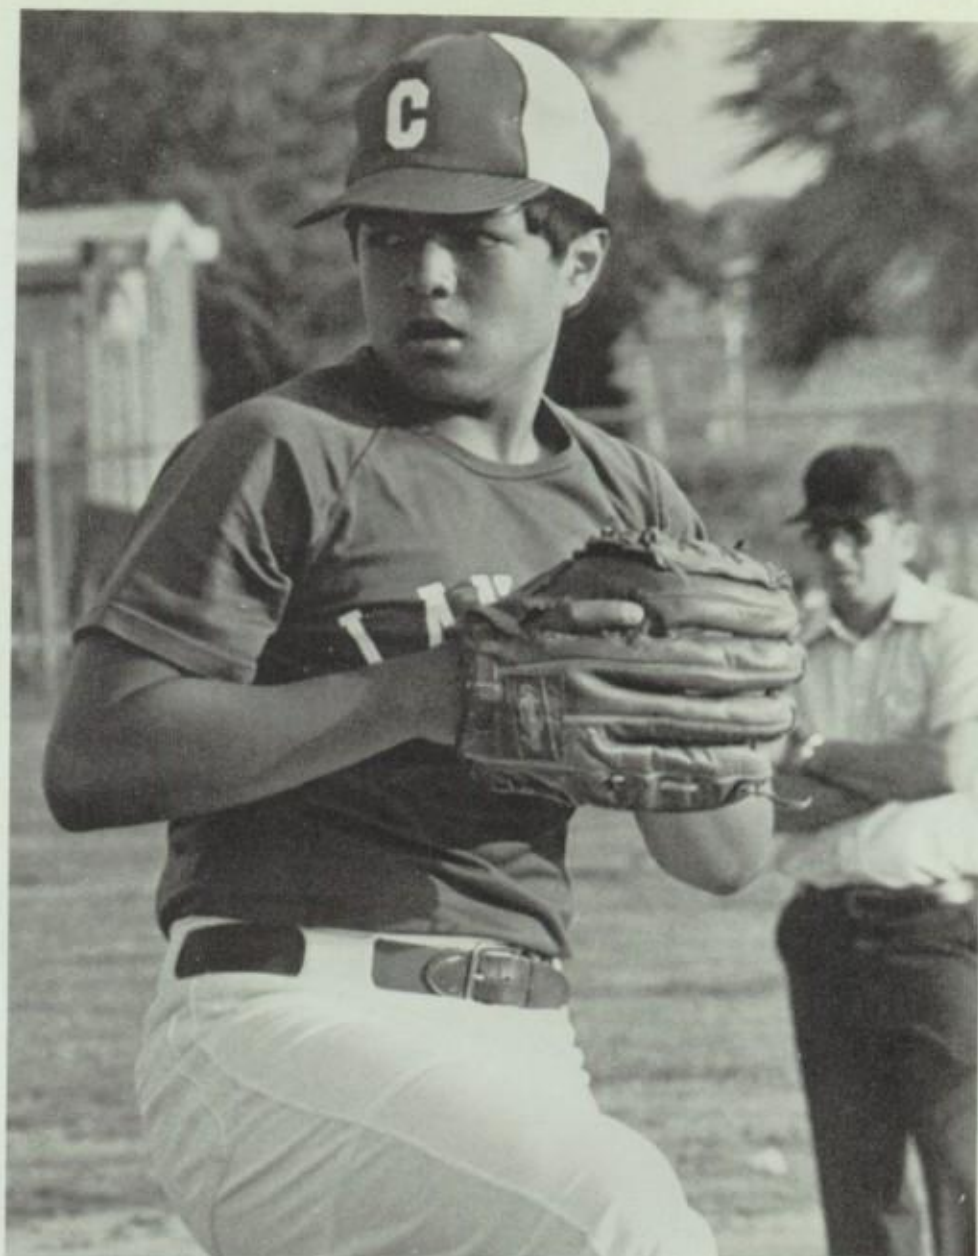

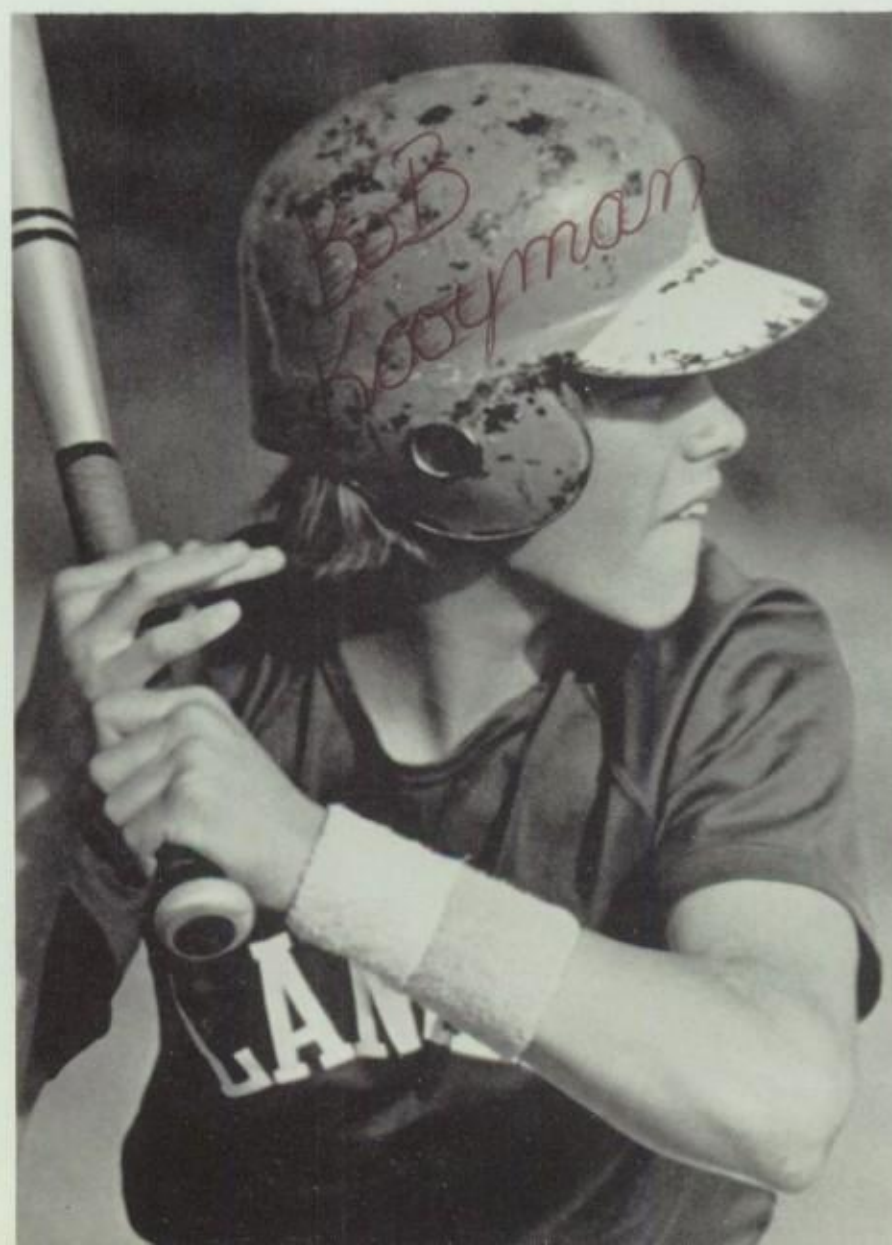

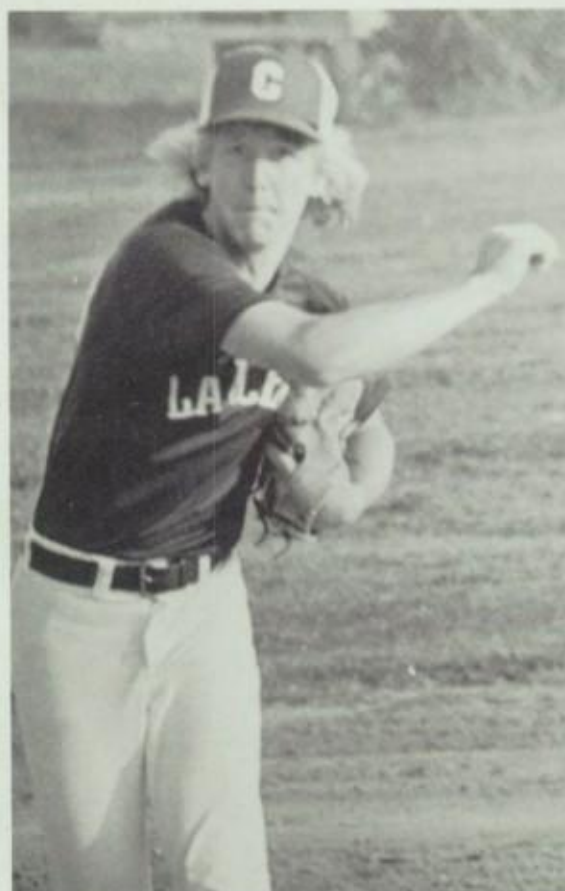

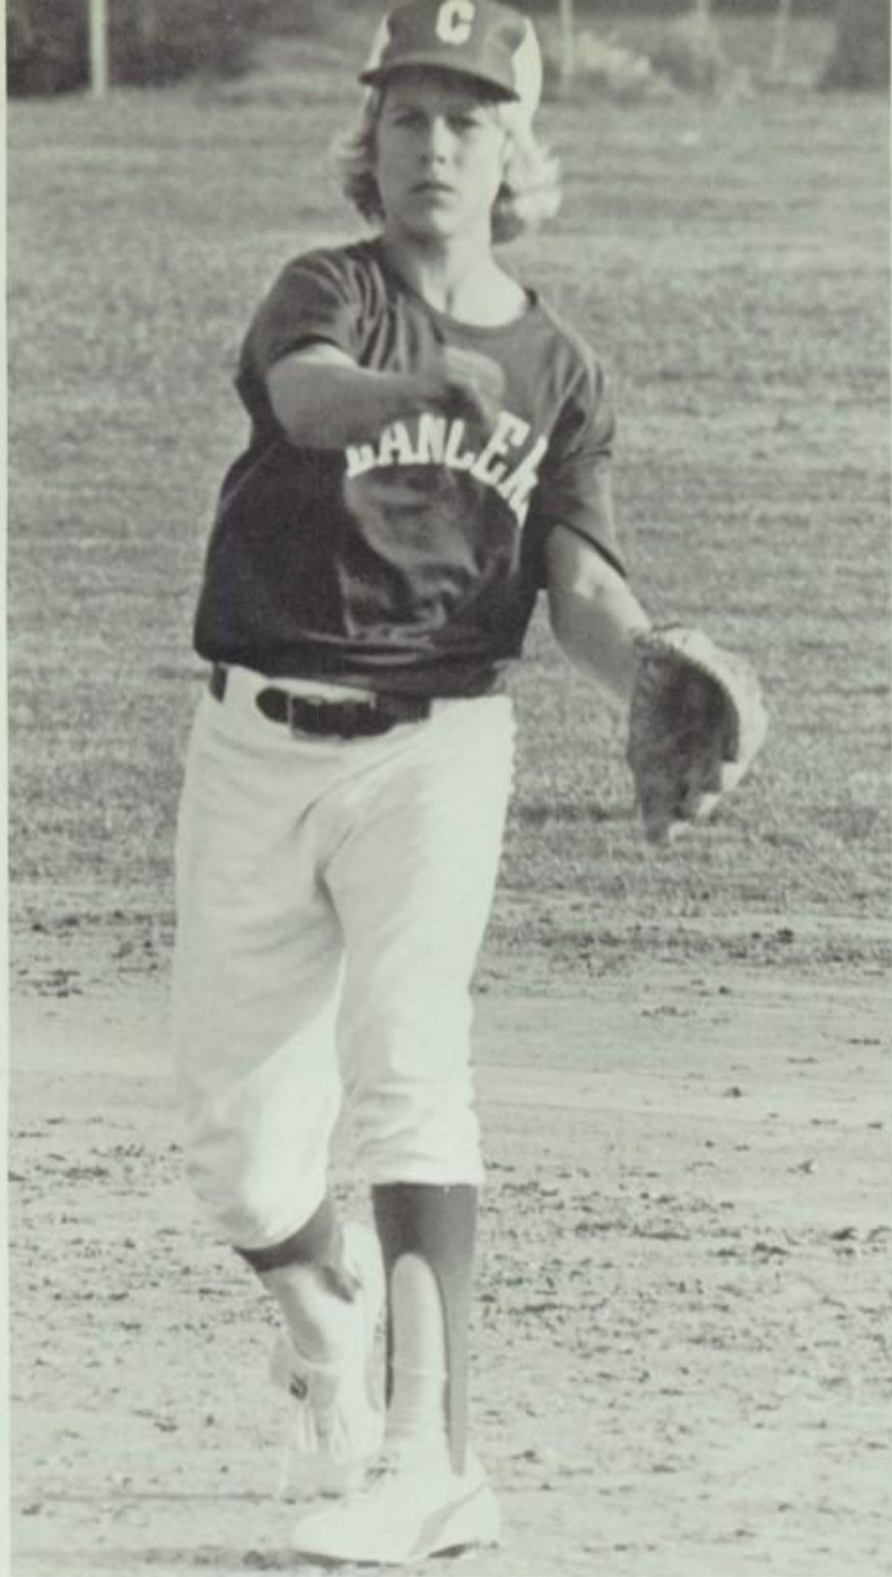

Freshmen B'Ballers Off To Good Start

The team is felt to be a good one because it consists of many Pony league all-stars such as David DeDiminicanio, Rick Larsen, Jay McNabney, John Miller, Victor Rollo, and Jim Shlemmer. The team should have a very successful season under Frosh coach George Hinds.

Team: Mike Casteel, Jerry Clements, Jeff Curry, David DeDiminicanio, Mike Gorman, Ruben Guerra, Kean Hamilton, Bob Kooyman, Rick Larsen, Jay McNabney, John Miller, Eddie Nilsen, Victor Rollo, Tim Rutherford, Keith Schipper, Jim Shlemmer, Vince Tirona, Coach George Hinds.

Varsity Tennis

"We have a lot of potential this year with our three returning letterman." Capp

This season seems to be very encouraging for the Varsity Tennis team. Being one of the favorites in the league this year is evident with their early record of only one loss and five wins.

The team is led by the outstanding singles player David Evans, who was also chosen all league last year. Other leading players are Stan Perry and John Fitzsimmons. Leading the doubles team is a very strong player, Jason Kullmann.

Team: Andy Bell, Kelly Dewitt, David Evans, John Fitzsimmons, John Forrester, Mark Gnibus, Howard Kahn, Jason Kullman, Bob Mahin, Juan Palm-Leis, Stan Perry, Rob Thompson, David Wahl, Packy Wilson, Coach Marv Cap.

J.V. Tennis

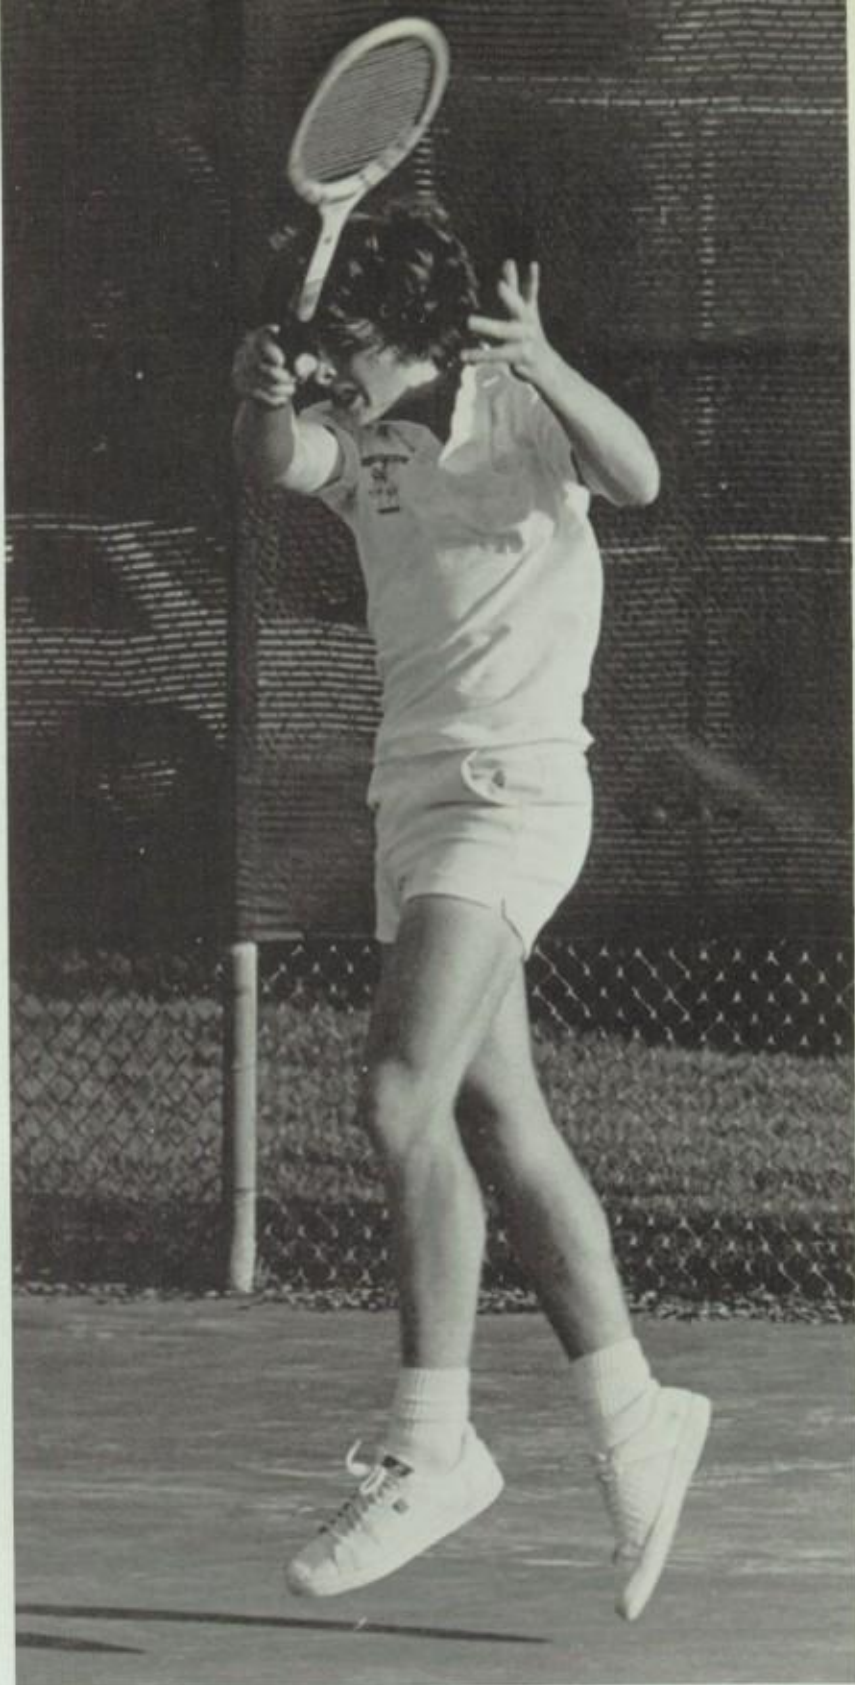

"... players are new to the team yet tennis should be very competitive," stated new Coach Skip Harris.

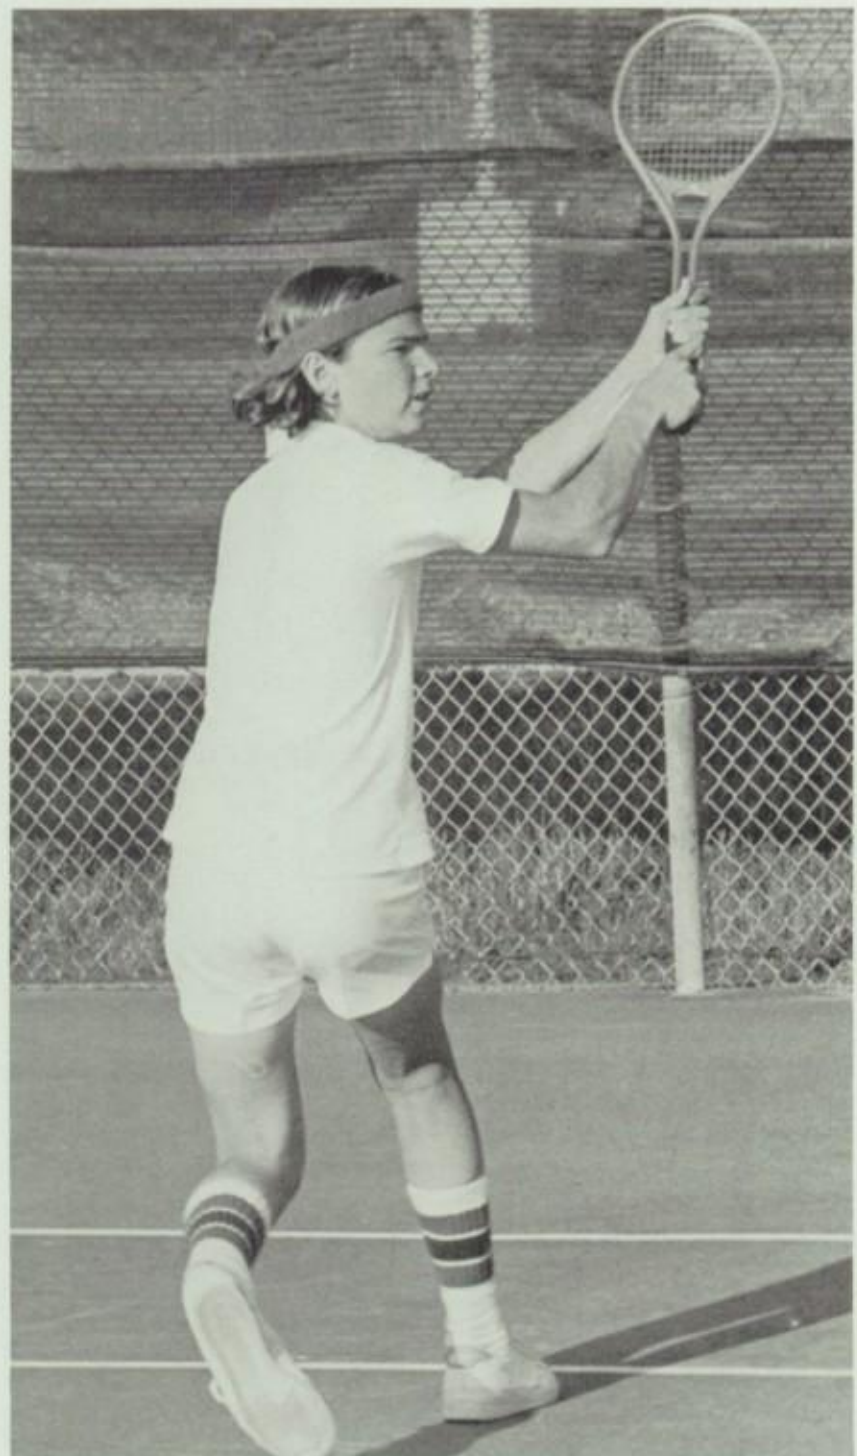

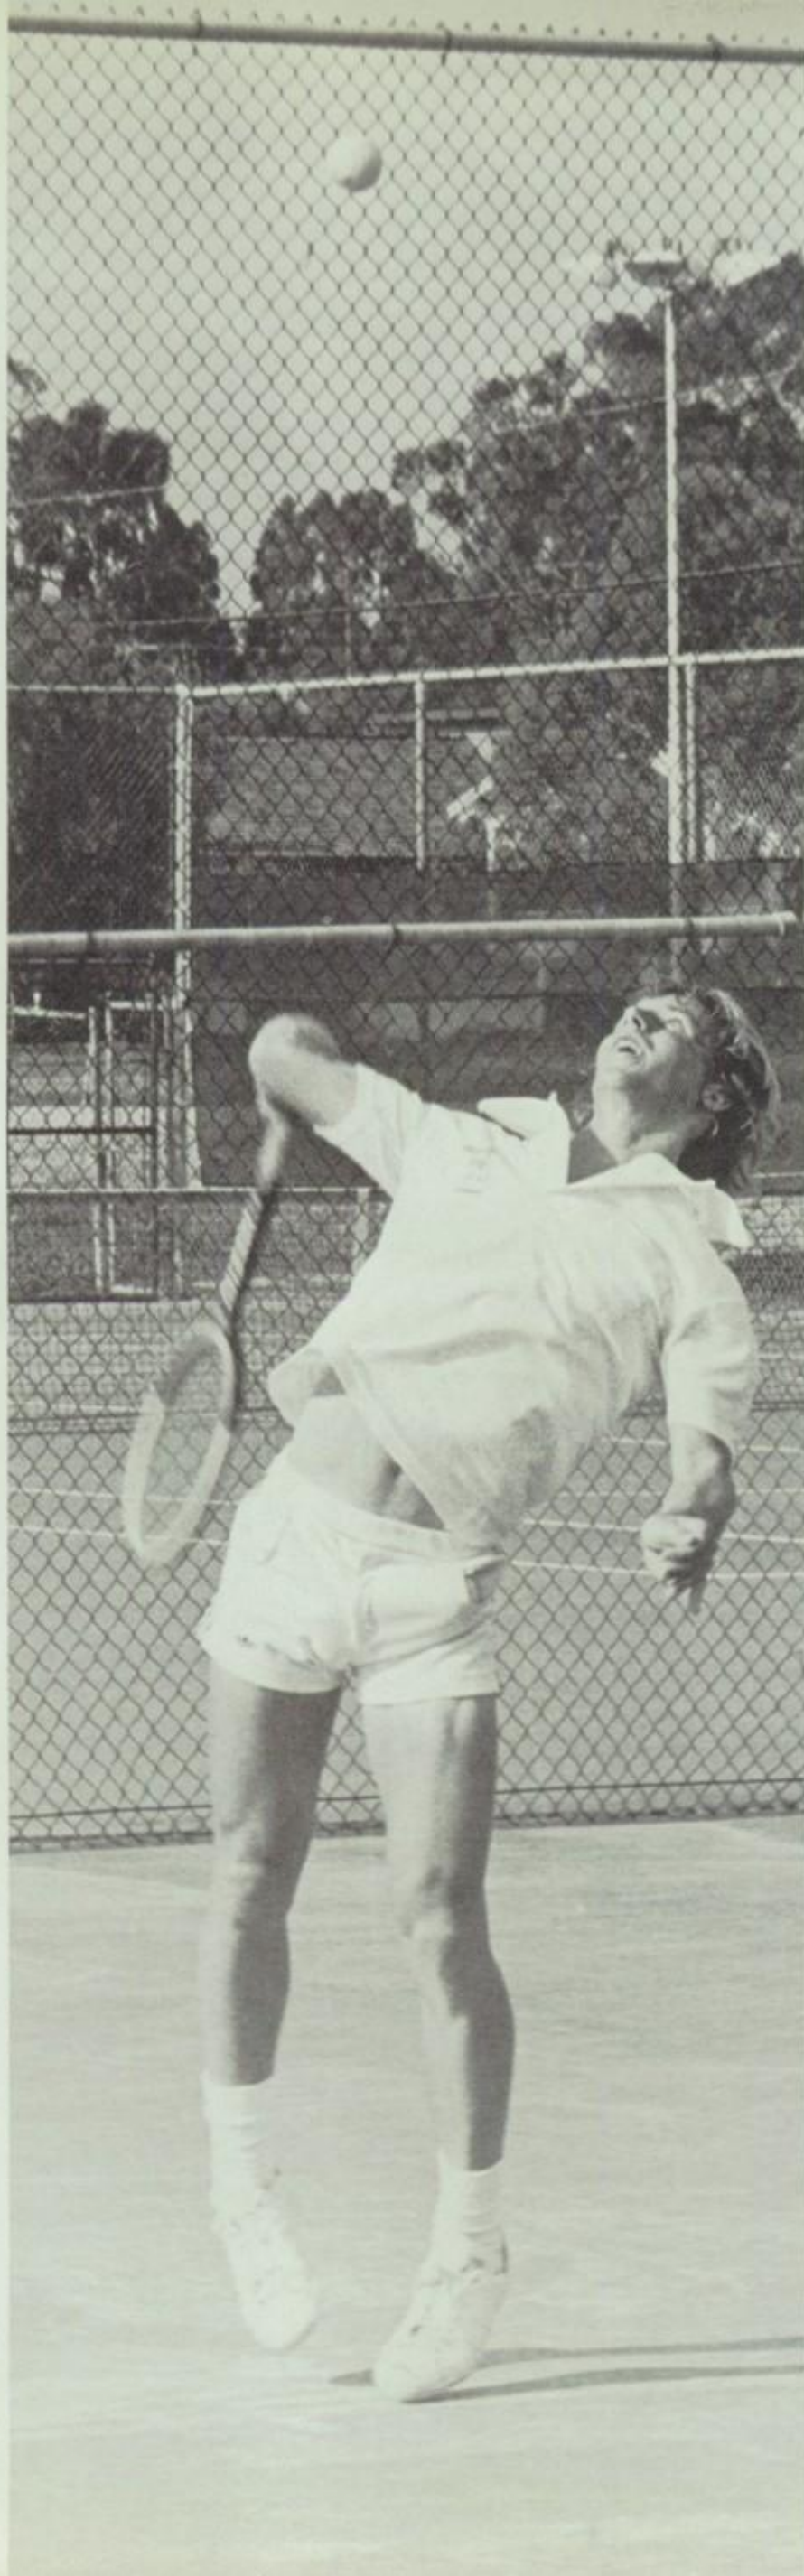

The Junior Varsity team shows good potential for the coming years. Leading the team is the outstanding singles player Brian Archibald. The leading doubles team consists of Greg Cook and Ford Monnell. Being in a very difficult league, they lost their first two scrimmages. Even though losing the players still showed energy and enthusiasum. All in all it looks to be a good year.

Team: Paul Arregul, Greg Cook, Ziggy Galleisky, Jeff Gifford, David Henson, Ford Monell, Wes Stevenson, Andy Tarungo, Coach Skip Harris.

A.S.B. Starts Class Competition

Class competition was the main attraction A.S.B. put on this year. Points were given to the most spirited classes. Assemblies were very successful because the school was so spirited. All the classes had their high and low points throughout the year. Some of the activities that were put on to get competition between the classes were; potato sack racing, five legged racing, hoola-hoop racing, and the spirit rope, plus many other events.

A.S.B. sweepstakes was another exciting event that A.S.B. put on. At the last football assembly, A.S.B. gave away a black and white television set, a digital clock radio, a dinner for two at the Wayside Inn, and two concert tickets.

Freshmen orientation was a great success. Everyone had a lot of fun participating in this activity. I'm sure the freshmen had as much fun as the Seniors did.

Some other A.S.B. activities were; Halloween Dress-up Day, the annual Christmas party, and Western dress-up day.

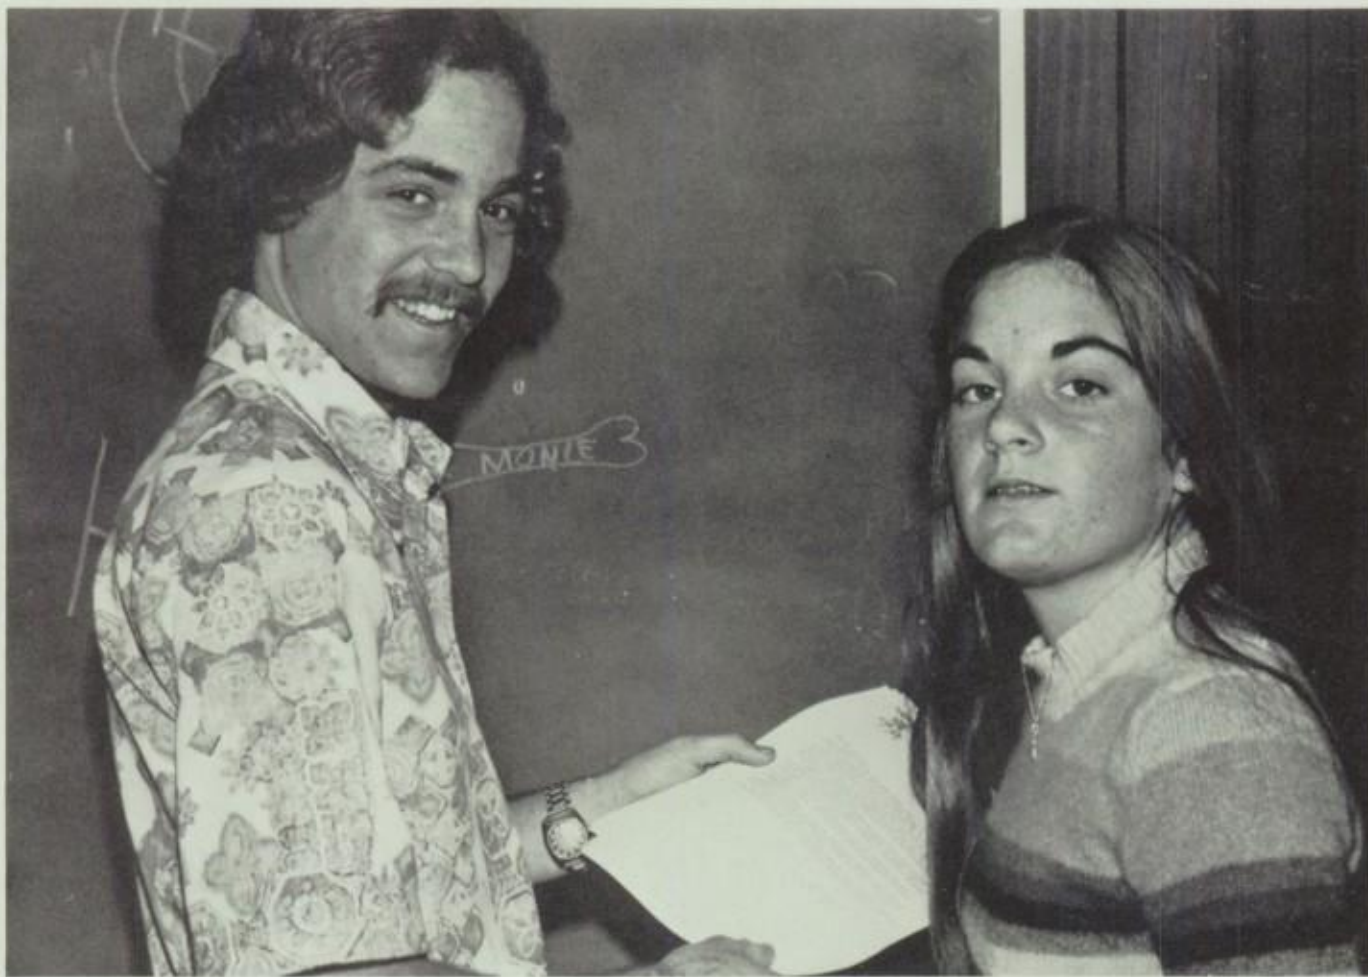

The A.S.B. Council structure is different this year. The staff has found it to be very effective. It lightens the individual's work because it is more distributed throughout the council.

A.S.B. council spends on an average of two hours a day planning activities for the future. A.S.B. feels they did a good job and are pleased with the spirited participation the school put out over the 1977-78 school year.

The 1977-78 A.S.B. Council;

President: Colleen Freitas
 Vice President: Karl Dearie
 Activities Coordinator: Richard Rees
 Representative to Board: Jim Ukegawa
 Treasurer: Joanne Kinghorn
 Assistant Treasurer: Natividad Godina
 Executive Council Secretary: Harriet Dawe
 Council Secretary: Cara Hall
 Publicity Chairman: Gary Stottlemeyer
 Assistant Publicity Chairman: Anita Talone

A.F.S.

AFS was a bright light in the activities at C.H.S. this year. The traditional Enchilada Dinner was held in November. A new event for AFS this school year was an overnight stay at Carlsbad High and included trips to Disneyland and other events. Rene' Heisig and Rui Alvez were the AFS students from Germany and Brazil. Carlsbad sent two students abroad as representatives from our school. They were Chuck Grafft who is Know in Austria, and Sara Schuck, in Austraila.

For those of you who don't know me I'm Rene Heisig from Germany, spending a year as a AFS student in Carlsbad. I am a senior but when I'm back in Germany in the middle of July, I will have to attend two more years in school to graduate. I want to say thanks to all of you who helped me during this year with friendship and understanding to make this stay an interesting and warm experience.

Football games, cheerleaders, float meetings, pep assemblies, school spirit and social life centered around school this was a totally new experience for me.

Carlsbad's beaches and mild climate are very pleasant in contrast to Ruesselheim's industrial nature and seasonal changes.

AFS preparation, idealism and Godswill gave me direction to help me through the years. But the most help I received was from my host family, the Wrenches who gave me a wonderful time, with their warmth and openness.

During this I experienced a different culture and met different people. When I am back in Germany Carlsbad will be a nice memory and I hope I will have the chance to come back and visit Carlsbad again.

Rui

By the time you read what I have written here, less than a month will be left for me to go back to Brazil. Now I'm starting to miss Carlsbad and all its people as hard as I missed my city and my friends during the first two months I was in America.

I liked my year at Carlsbad High very much and there are many reasons. First, AFS found me a great family, the Grosse's, and they have done just everything for me. Then I have the AFS people who have been hosting and sending students abroad, always doing a great job. Finally and also a good reason for my successful stay are the new friends I made and you can be sure I'm going to miss you all.

CHS is very different from my school back in Santos since we just have required subjects; the social life is not so much around the school and the schedule is shorter, generally from 7:00 to 11:30. I used to play basketball and volleyball but here I played soccer. I also like to work with art and for this reason I took Photography and drama; subjects that I can't take in my school.

My family in Brazil is very close. My father, José Alvez, is a businessman and he has two shops for woman's clothes and fabrics. My mother is a principal at a district school from 1st to 8th grade. I have three more brothers, one whose name is José Arthur, is a doctor, another, Joao (John) Flavis, is an engineer and Paulo is in 8th grade.

Santos, a 500,000 people city, is on the coast and the beach is very famous and crowded on the weekends. It's good for surf during winter and better than a lake during the summer.

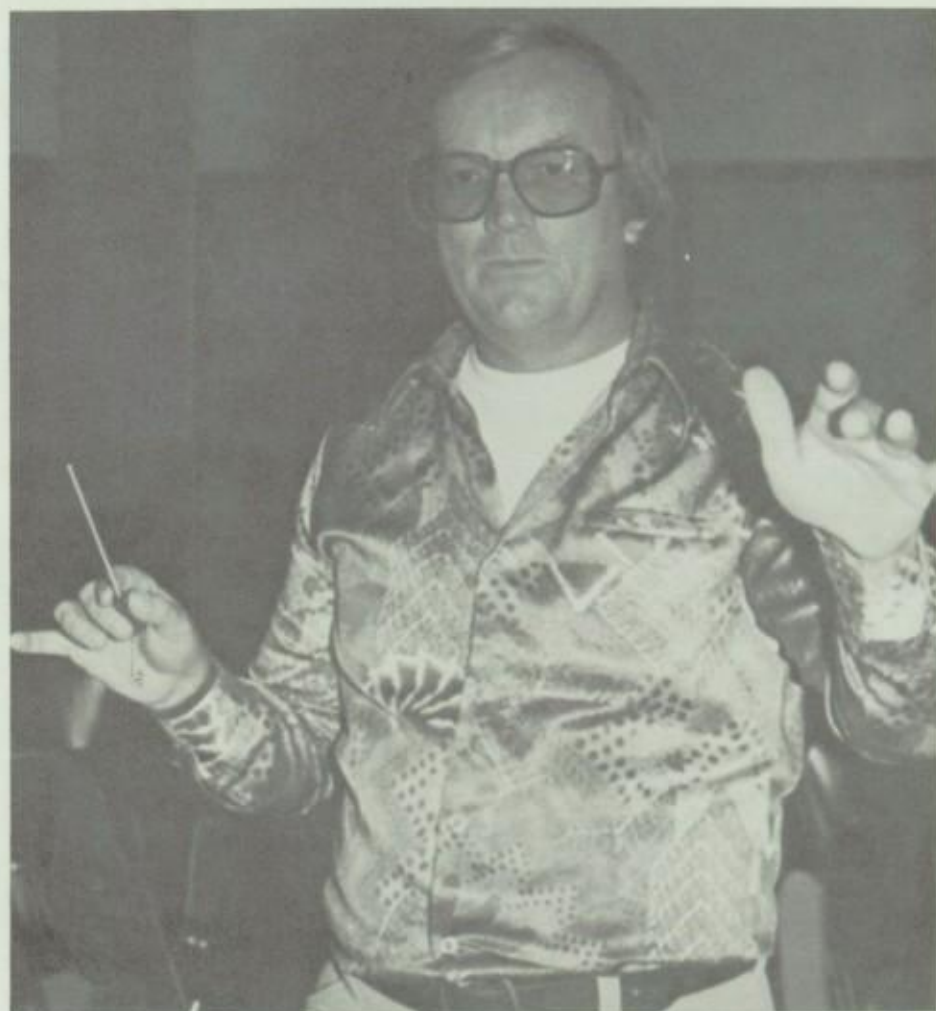

If you were patient enough to read all this so far, there's just one point left. If you go to Brazil sometime, let me know and we'll have fun together. 78 is great!

Jazz Band And Orchestra Perform Professionally

MUN Represents United Kingdom

Every year, hundreds of students from Southern California meet at San Diego State for a three day long session of Model United Nations. The purpose of M.U.N. is to give high school students an understanding of how the real U.N. function. This year Carlsbad sent one delegation Represent to the Nation of the United Kingdom.

CSF Scholars Excel At CHS

The California Scholarship Federation was founded in 1921 by Charles Seymour. Originally created for colleges and universities, the organization was soon extended to the high school level. The major purpose of C.S.F. is to promote academic achievement, leadership, and to award scholarships to outstanding seniors.

All students who maintain 10 "Points" per semester are eligible for membership. An A is worth 3 points, a "B" is worth 2 points and a "C" is worth 1 point.

The primary goal of C.S.F. this year was to raise \$1,000 for scholarships. To do this, C.S.F. members sold Square Pan Pizza at football games and had several bake sales. Some social activities of the club were a progressive dinner, and C.S.F. Night at Disneyland.

Excalibur

Extra . . . Extra . . . Read All About It

Excalibur was once again an integral part of the campus life at CHS. The staff on the school paper explored many investigative areas; such as, child abuse, the humane society, juvenile delinquency, and a variety of other news stories.

Returning senior photographer Erich Grosse continued his award winning production of photos that carried him to a 1st place finish in the Southern California Regional Write-Offs for photography. Staff writers Debbie Francis, Tony Lawrence, Annette Kennedy and the rest of the Excalibur staff kept the student body waiting anxiously for each and every issue with their timely and provocative articles.

Editor Fred Hale and the rest of the staff provided continued input to the schools successful and renowned gossip column "Roundabout". Tony Shiffer provided needed technical assistance at the Blade Tribune in Oceanside as the staff put the paper together with one of the most sophisticated systems in the newspaper business. All in all, a successful journalistic year.

MEMORIUM

We often take life for granted,
but when life leaves us,
We are caught unexpected.
Only then do we realize
The beauty that has left us...
or has it?

For you see, you have taught us
About ourselves
And of the life we are blessed with,
What could be more Beautiful?

Students and Faculty:

I certainly hope that this years 1977-1978 Purple Shield will bring back memories of "The Good Times" for all of you.

For both the staff and myself it was a definite learning experience. Each member of the staff contributed in a unique and creative way to make this yearbook one of a kind.

I would especially like to extend my thanks and appreciation to our advisor Mr. Robertson, our photographer Jerry Bryan and the staff. Enjoy your book.

Special Note for 1979 Yearbook Editor:

In the immortal words of Steve McGarret of Hawaii Five-O "Book-Em-Danno" for the 1979 annual.
